CarPlateBook

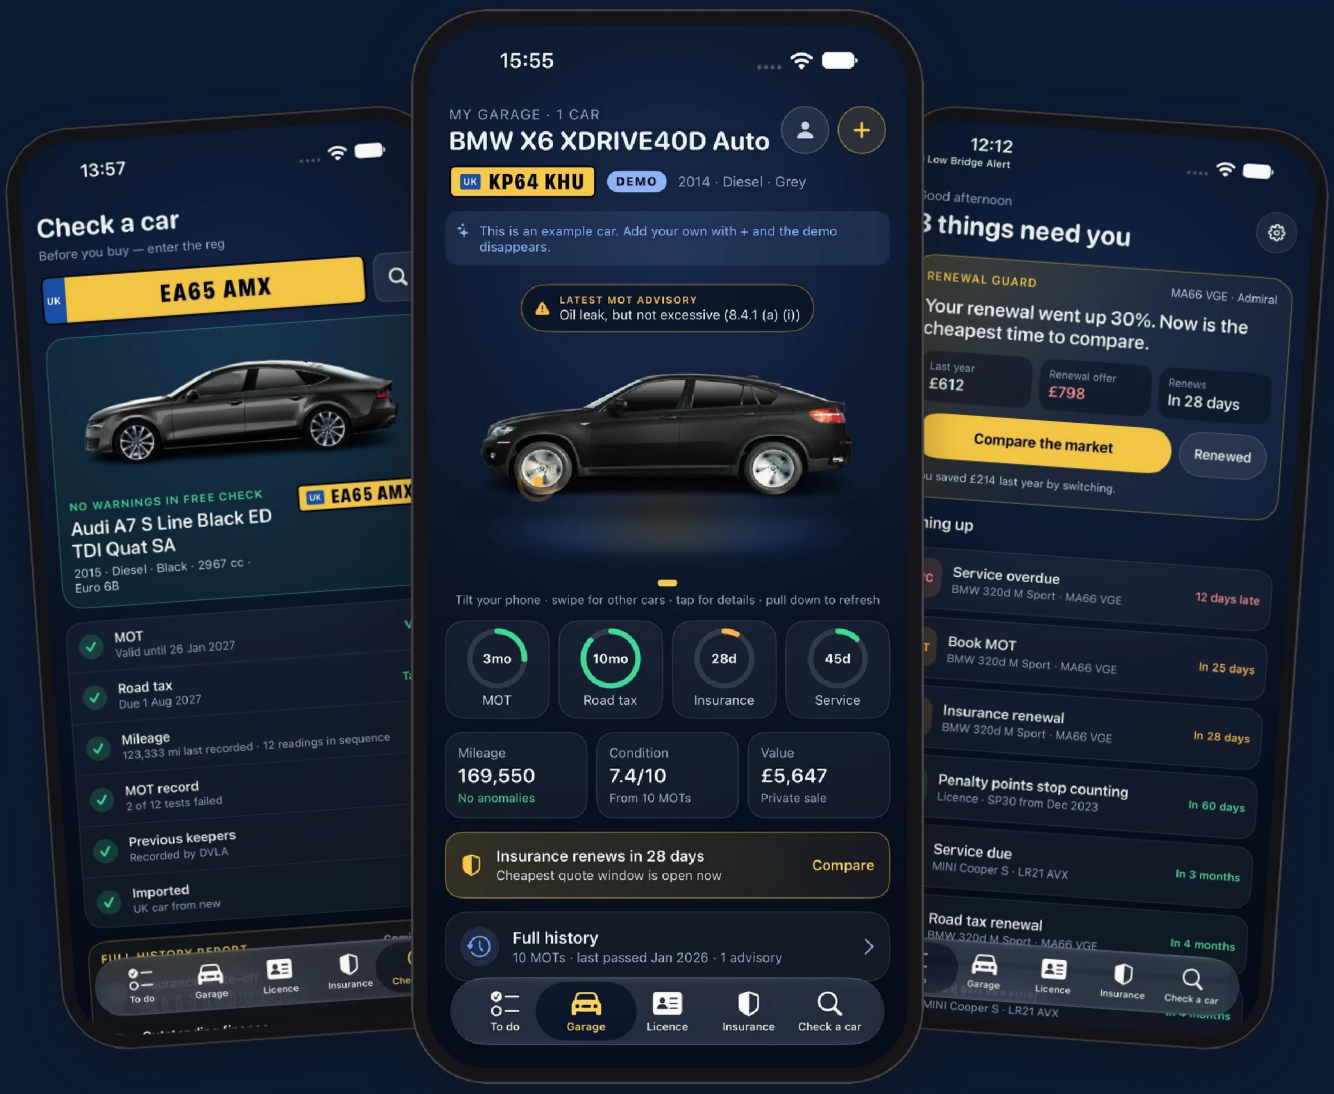
PRODUCT GUIDE

UK CAR CHECKS AND YOUR OWN GARAGE — IPHONE, ANDROID AND THE WEB

Your whole garage. *One app.*

Check any UK car before you buy it and keep your own cars on track: MOT, tax, insurance and service reminders, mileage history and full reports.

iPhone | Android | carplatebook.co.uk | Pay once



INSIDE THIS GUIDE

Every car you own, *in one garage*

Type a registration and CarPlateBook fills in the rest: make, model, colour, engine, MOT history with every advisory, mileage, tax status, value and a real photo of the model.

CONTENTS

8 Reminders
9 Renewal guard
10 Real data & photos
11 Privacy & FAQ

01 **Car owners**
Never miss an MOT, tax or insurance renewal again.

02 **Used-car buyers**
Check a car's history before you hand over money.

03 **Families with several cars**
Up to 4 cars in one garage.

04 **Drivers watching costs**
See renewal price jumps and compare in time.

LICENSED UK DATA

DVLA and DVSA records

CarPlateBook uses licensed UK vehicle data, including DVLA and DVSA MOT records. It is not affiliated with the DVLA or DVSA.

MOT history
Every advisory and failure

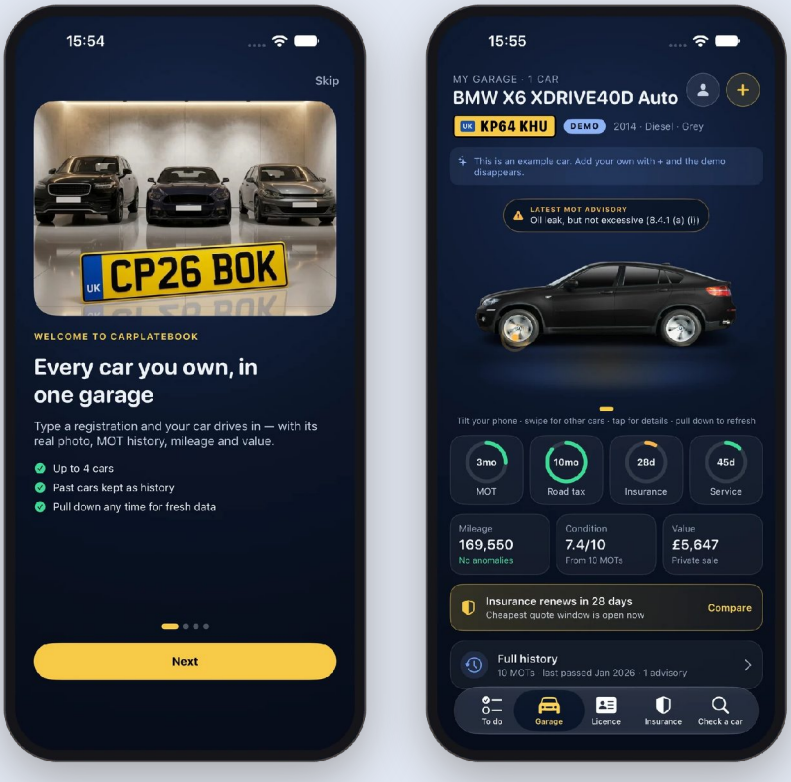
Tax and mileage
Status and records

Full report
Write-off, finance, stolen

GETTING STARTED

From registration to *garage*

Look around the demo car for free, then add your own cars.



1 **Explore the demo car**

No account needed to look around.

2 **Sign in**

Sign in with Apple or Google to add your cars.

3 **Enter a registration**

Make, model, MOT, tax and a real photo appear.

4 **Try free for 3 days**

Everything unlocked; nothing is charged.

GARAGE

Your cars, *always on track*

Up to four cars with real photos, MOT and tax status, mileage and a condition score.

01

Up to 4 cars

Each with a real photo of the model.

02

At a glance

MOT, tax, insurance and mileage on one card.

03

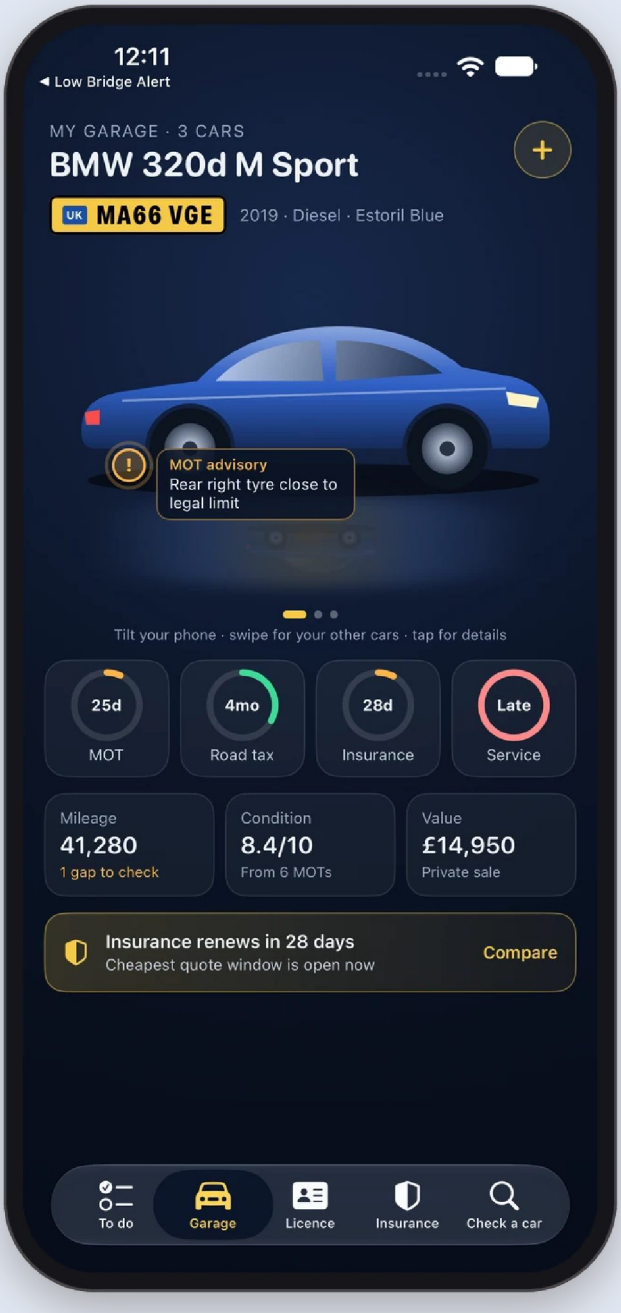
Past cars

Kept as history in your profile.

04

Fresh data

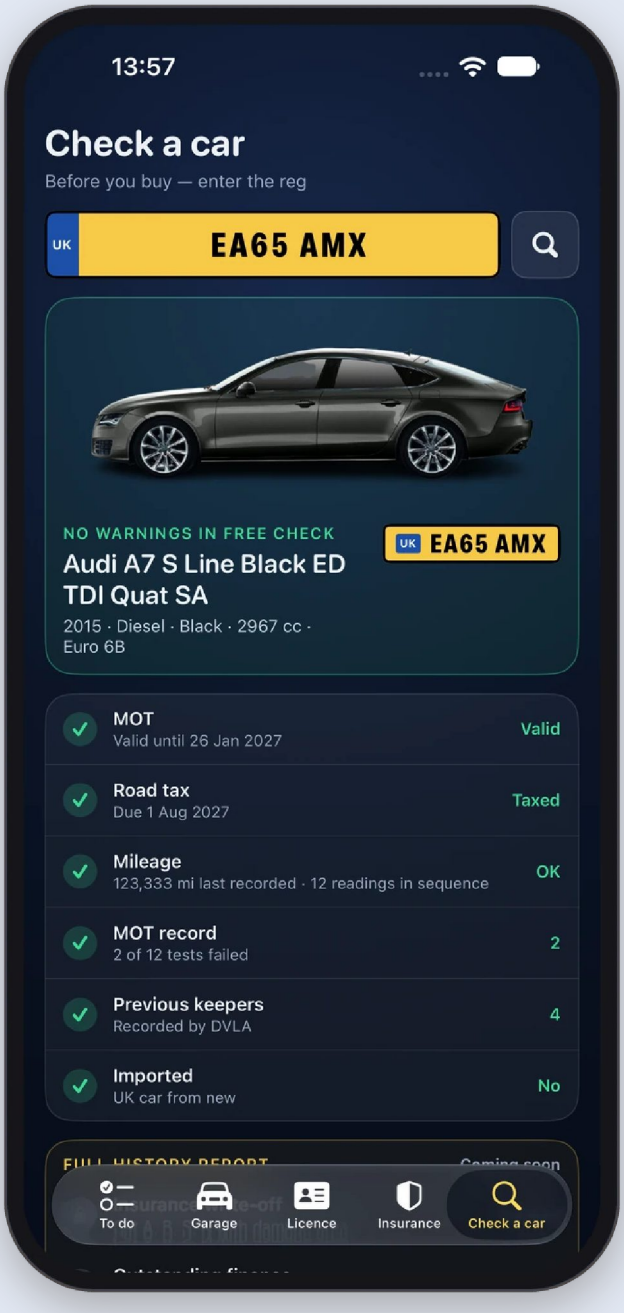
Pull down any time to refresh.



CHECK A CAR

Check any car *before you pay*

Type a registration and see the car's MOT, tax, mileage, keepers and value in seconds.



01

MOT and road tax

Status at a glance.

02

Mileage history

Anomaly warnings help spot a clocked car.

03

Keepers and plates

Previous keepers, plate changes, imported, exported or scrapped.

04

Share with the seller

Send the result in one tap.

FULL REPORT

Write-off, finance, *stolen check*

A full report checks what you can't see on the forecourt.

01

Insurance write-off

Cat A, B, S and N.

02

Outstanding finance

Hire purchase and logbook loans.

03

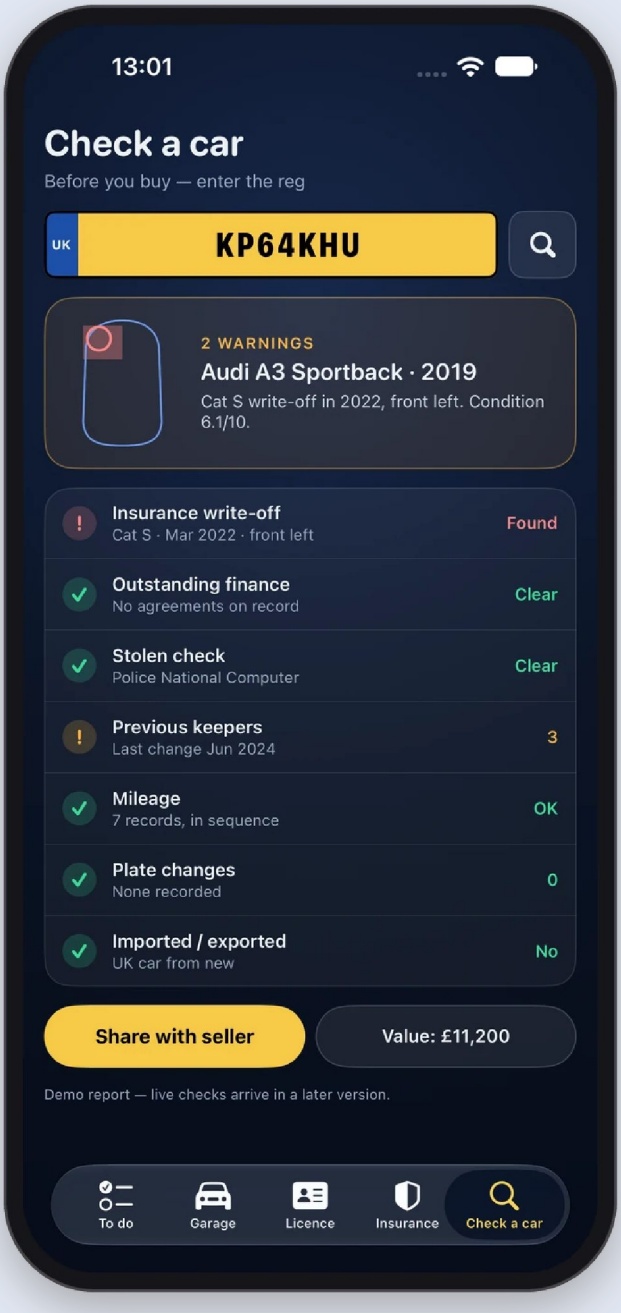
Stolen check

Police National Computer records.

04

Single or packs

Buy one report or save with a pack.



MOT & SPECS

Every MOT. *Every advisory.*

The full MOT history with advisories and failures, plus the full specification.

01

Every test

Passes, fails and dates.

02

Advisories

What the tester noticed — before it becomes a bill.

03

Specification

bhp, 0–62, mpg, tax band and more.

04

Guide value

An idea of what the car is worth.

REMINDERS

Never miss *a renewal*

Reminders for every date that matters to a car owner.

01

MOT and road tax

Reminders well before the due date.

02

Insurance and breakdown

Know when cover ends.

03

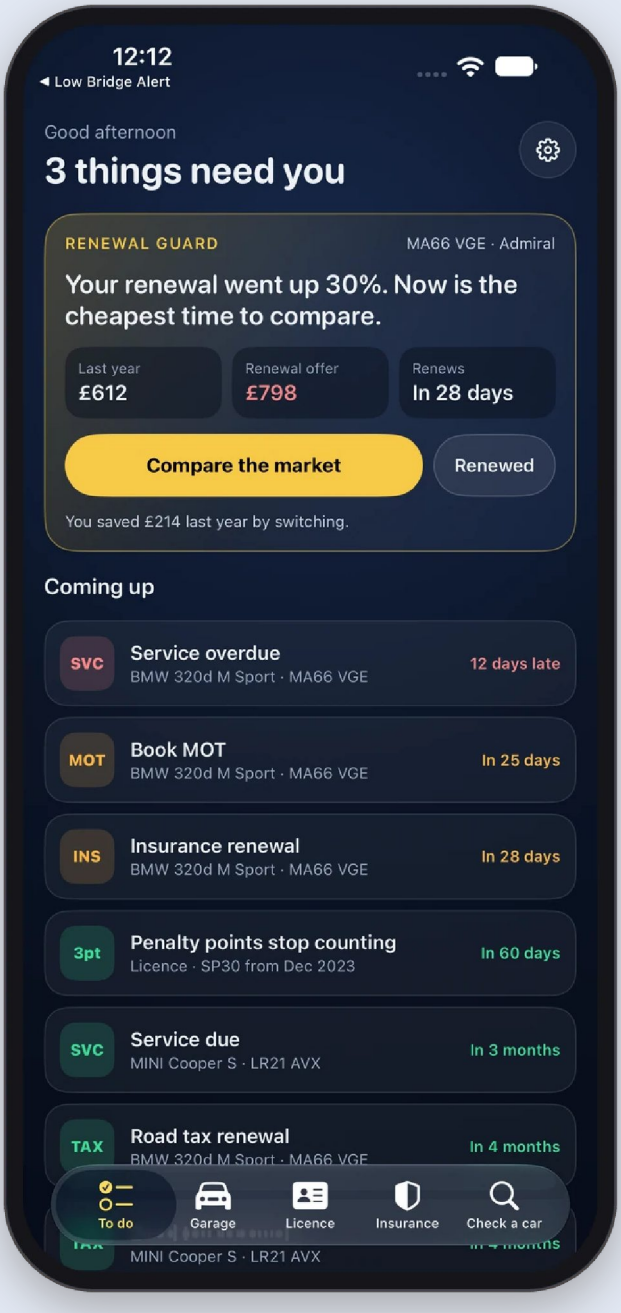
Service

Keep the car's service on time.

04

Lease or PCP end

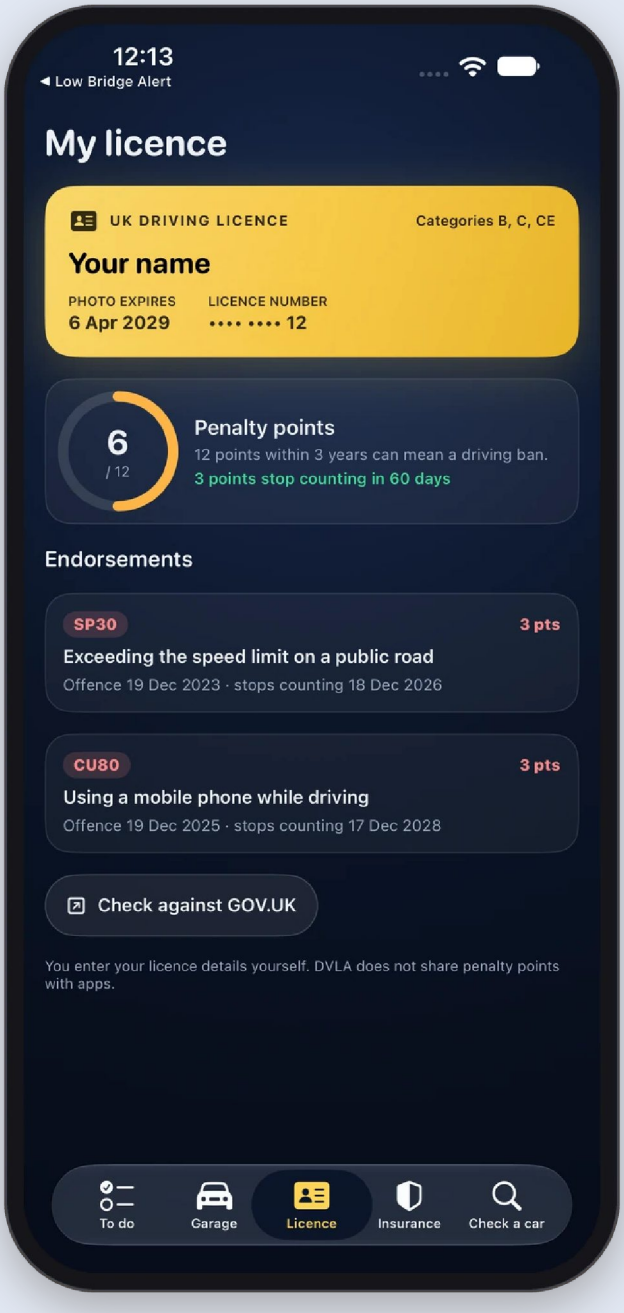
Plan ahead for the end of the agreement.



RENEWAL GUARD

Renewals *and your licence*

Enter your renewal price and see the jump in pounds and percent — and keep an eye on penalty points on your driving licence.



01

See the jump

In £ and %, side by side with last year.

02

Best time to compare

Quotes are often cheapest a few weeks before renewal.

03

Penalty points

Track points on your driving licence.

04

All in one place

Insurance details stay on your phone.

REAL DATA

Real data, *real photos*

Every car in your garage gets a real photo of the model and live data from licensed UK sources.

01

Real photos

Not cartoons — the actual model and colour.

02

DVLA and DVSA data

Licensed UK vehicle records.

03

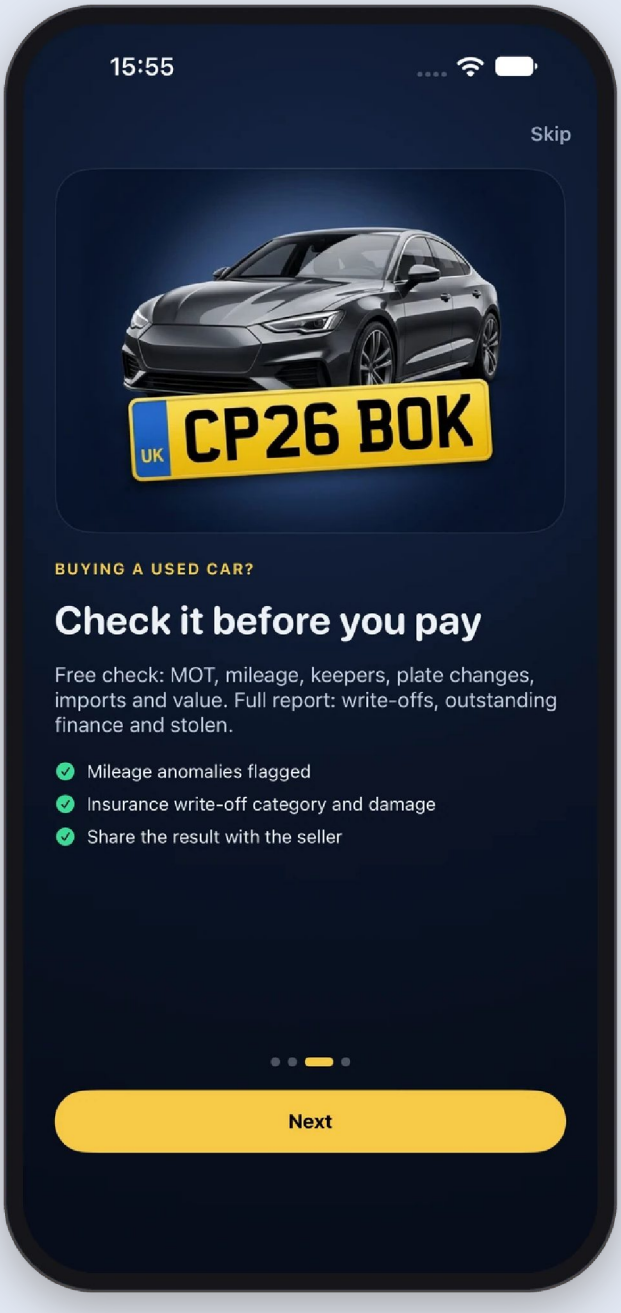
Web too

Check a car on carplatebook.co.uk.

04

Android extras

Widget, Quick Settings tile and shortcuts.



PRIVACY

Private *by design*

CarPlateBook keeps your details on your phone.

Your data stays on your phone

Cars, dates, insurance details and licence points.

Only the registration is sent

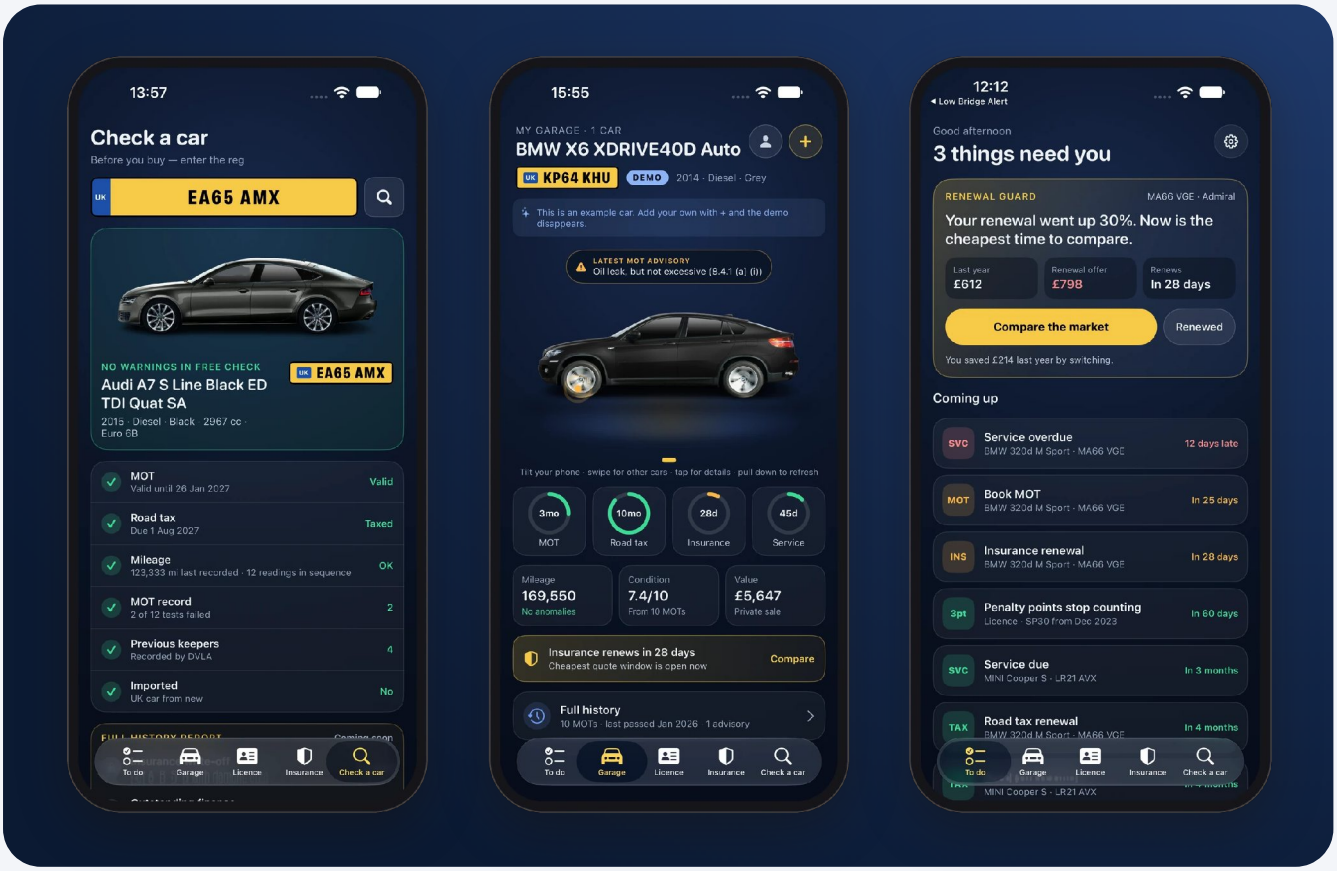
We only send the registration you look up to our server.

Delete any time

Delete your account in Profile.

Always inspect the car

Reports show what is on record — check the car and documents before you buy.



PLANS & PRICES

Try 3 days free. *Then pay once.*

Look around the demo car for free, try everything for 3 days, then unlock CarPlateBook forever with one payment.

CARPLATEBOOK LIFETIME

£12.99 once

Garage, car checks and reminders forever.

FULL REPORTS

from £8.99

1 report £8.99 · 3 for £19.99 · 10 for £49.99.
