INSIDE THIS GUIDE

Awkward messages, *made easy*

ExcuseMate writes the message you do not want to write. It asks who it is for and how urgent it is, then gives you three versions in different tones — so you can send the one that sounds like you.

11 Questions & answers

01 **Work**
Running late for a shift, a missed deadline or a day off sick — said politely.

02 **Friends and family**
Cancelling plans or skipping an event without making it awkward.

03 **School and appointments**
Short, clear messages for teachers, clubs and bookings.

04 **Anyone who overthinks texts**
Three ready versions instead of ten minutes of typing and deleting.

THREE TONES, EVERY TIME

Professional, neutral or funny

Every request gives you three messages. Copy or share the one you like, or save it for later.

Professional
For managers and clients

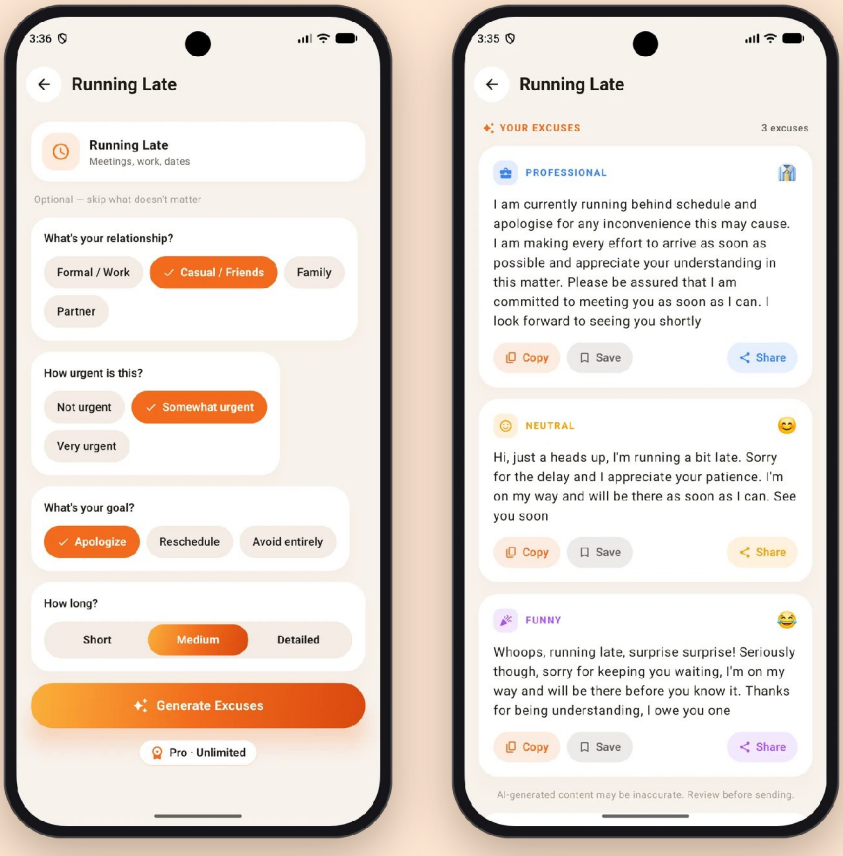
Neutral
For everyday situations

Funny
For friends who get it

HOW IT WORKS

Three taps to *the perfect message*

No account and no setup — open the app and you are ready.



1 **Pick a situation**

Choose one of six common situations, or describe your own in free text.

2 **Answer quick questions**

Who is it for, how urgent is it and how long should it be?

3 **Get three versions**

Professional, neutral and funny — written for your exact situation.

4 **Copy or share**

Send it from any messaging app, or star it to use again.

SITUATIONS

Six situations, *or your own*

Start from the situations people need most, or type anything else in your own words.

Running late

Work, school, meetings or a night out.

Cancelling plans

Plans, bookings and visits — without the awkwardness.

Forgot something

Birthdays, replies and promises you forgot.

Missed deadline

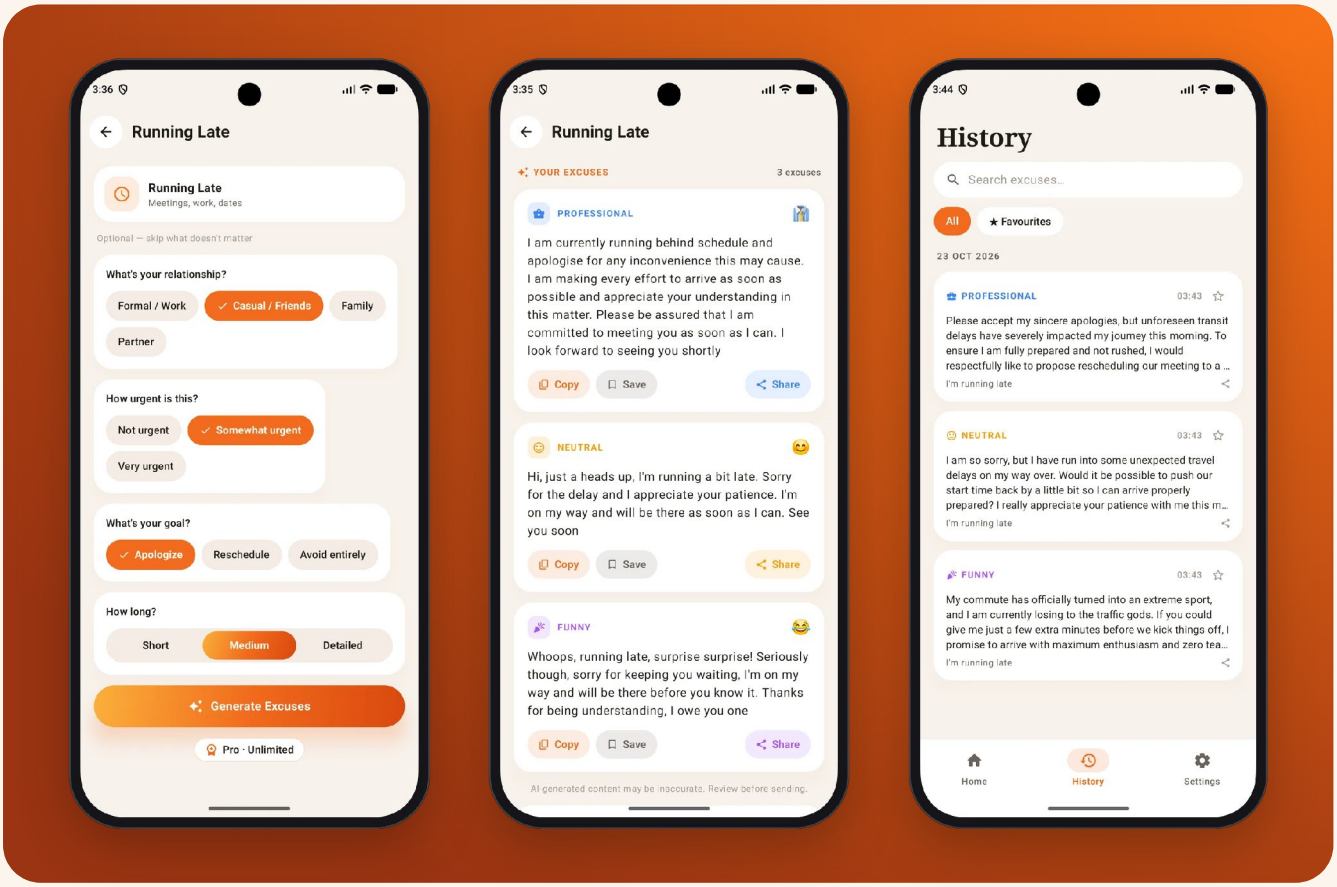
Projects, reports and payments.

Skipping an event

Parties, practice and meetings.

Calling in sick

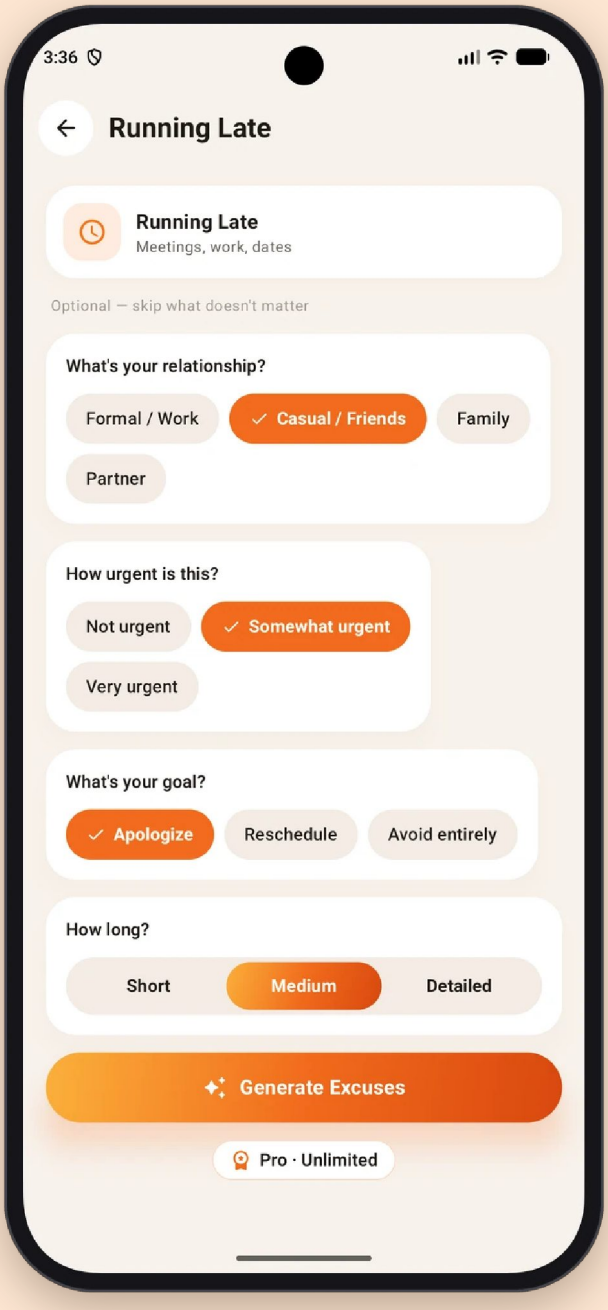
Work, school and appointments — clear and honest.



TAILORED

Tailored to *who you're telling*

ExcuseMate asks a few short follow-up questions, so the message fits the relationship and the moment.



01

Relationship

Formal or work, casual or friend, family or partner.

02

Urgency

Not urgent, somewhat urgent or very urgent.

03

Goal

Apologise, reschedule or just inform.

04

Length

Short, medium or detailed.

THREE TONES

Three perfect excuses, *every time*

Each request gives you three different messages, so you can choose the tone that fits.

01

Professional

Polite and clear — for managers, clients and teachers.

02

Neutral

Friendly and simple — for most everyday situations.

03

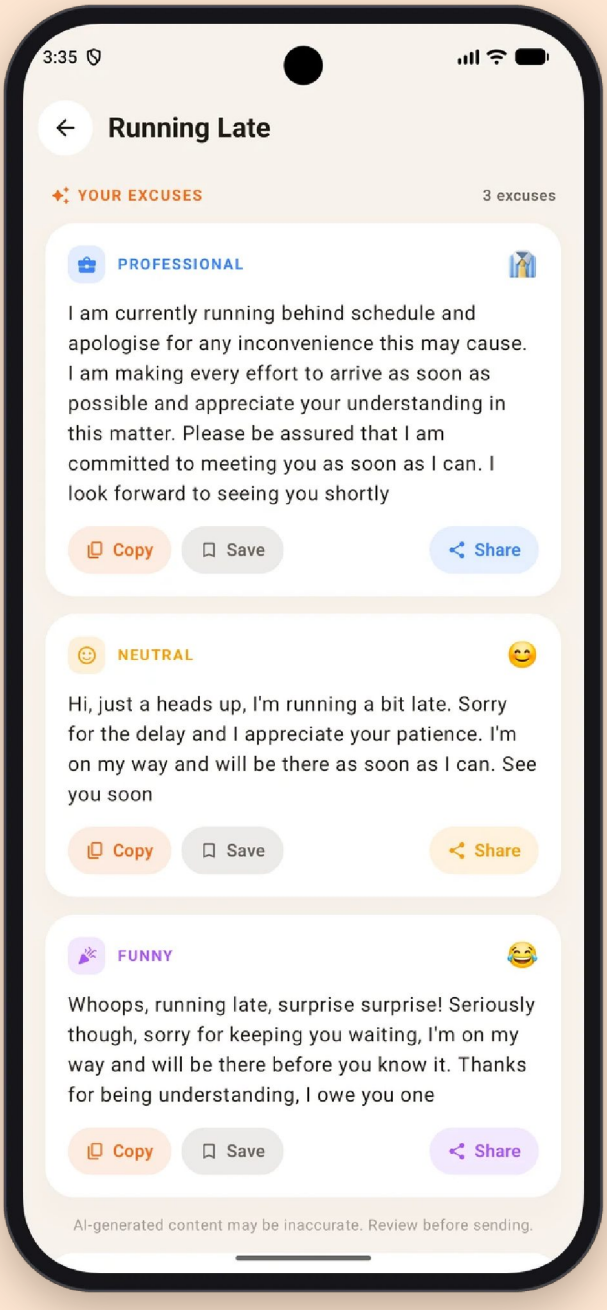
Funny

Light and playful — for friends who will laugh.

04

Copy, share, save

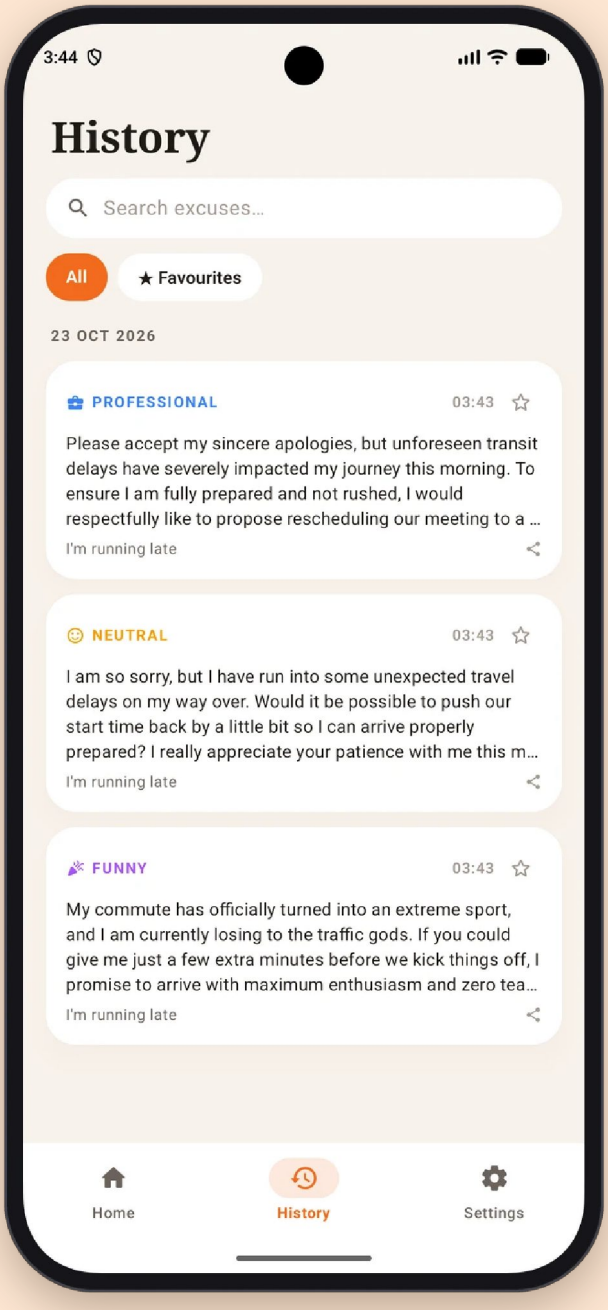
One tap to copy, share or star a message.



HISTORY

Every excuse, *saved*

Messages you create are saved on your phone, so you can search, star and reuse them any time.



01

Search

Find any past message by word.

02

Favourites

Star the ones you use again and again.

03

Grouped by day

See what you sent and when.

04

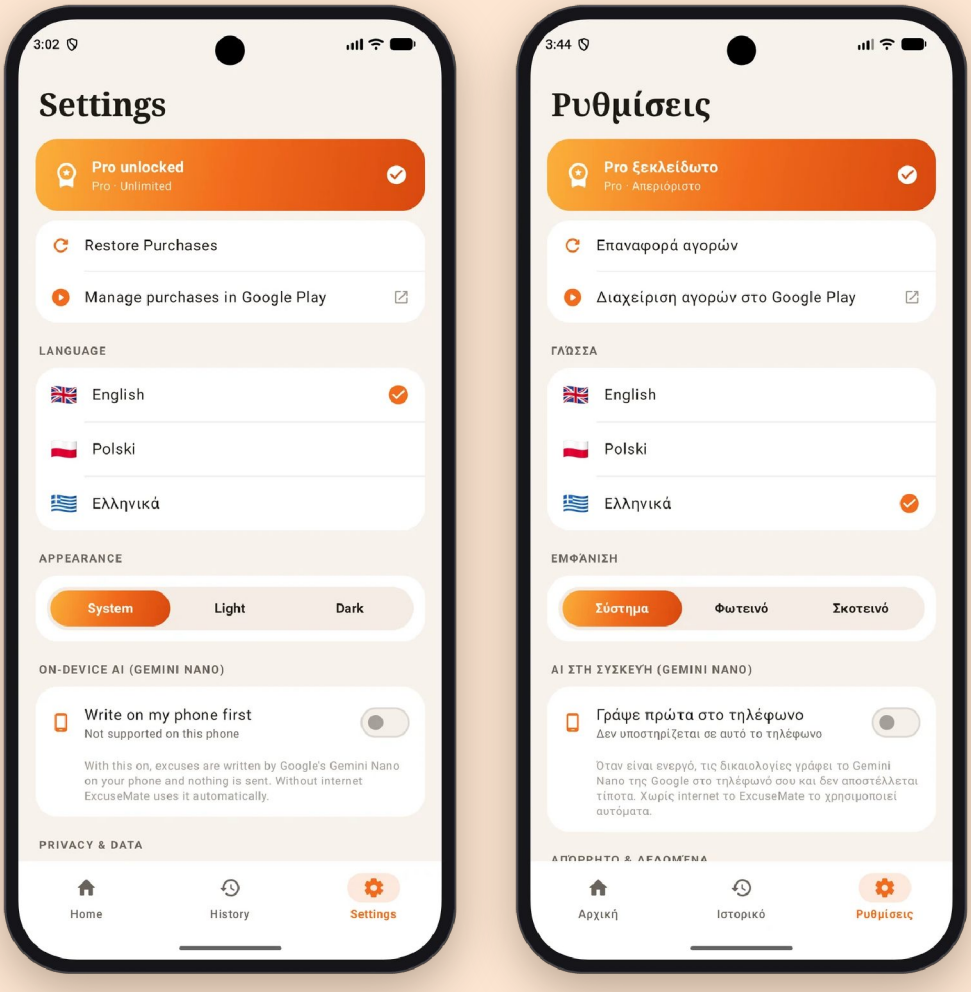
Export or delete

Export your history or delete it all from Settings.

LANGUAGES

English, Polski, *Ελληνικά*

The whole app — and the excuses it writes — works in English, Polish and Greek. Switch language any time in Settings.



01 **Three languages**
English, Polish and Greek, for the app and the messages.

02 **Light and dark**
Follow the system or choose light or dark.

03 **Show the intro again**
Replay the quick tour whenever you like.

04 **Help and FAQ**
Answers and contact from inside the app.
