HomeFeast Hub

PRODUCT GUIDE

HOME COOKING NEAR YOU — WEB APP AND ANDROID

Real home cooking, *right near you.*

Find home cooks nearby, see what they are cooking today and order for collection or delivery. For cooks: your own kitchen page, orders, flyers and a till — with 0% commission.

homefeasthub.app | Android | 0% commission | Pay the cook directly

INSIDE THIS GUIDE

Like a takeaway app, *but for home cooking*

Many home cooks already sell their food through Facebook groups and WhatsApp. HomeFeast Hub gives them one simple place for menus and orders — and gives you an easy way to find them.

CONTENTS

3 Getting started
4 Home for customers
5 Dish page

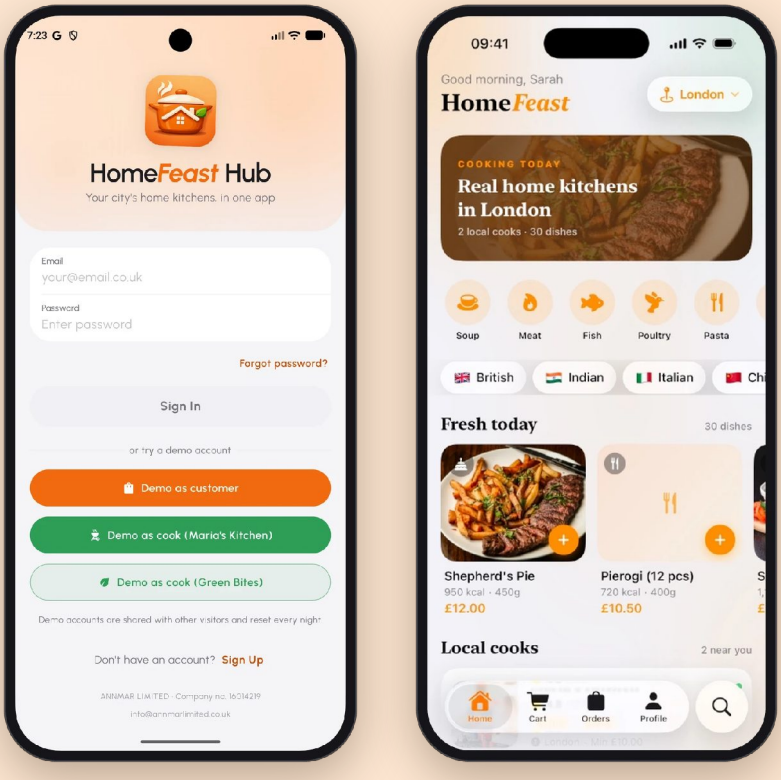
GETTING STARTED

Hungry or cooking? *Start here.*

Try the demo first — as a customer or as Maria's Kitchen — then sign up in a minute.



1 **Try the demo**

As a customer or as a cook; it resets every night.

2 **Create an account**

With Google, Apple or email.

3 **Order food**

Browse kitchens near you and order in a tap.

4 **Or sell food**

Open your kitchen with 2 months free.

FOR FOOD LOVERS

What's cooking *near you today?*

Today's menus from cooks nearby, nearest first — search by dish, cuisine or category.

01

Fresh today

Dishes cooked today, near you.

02

Categories

Soup, meat, fish, poultry, pasta and more.

03

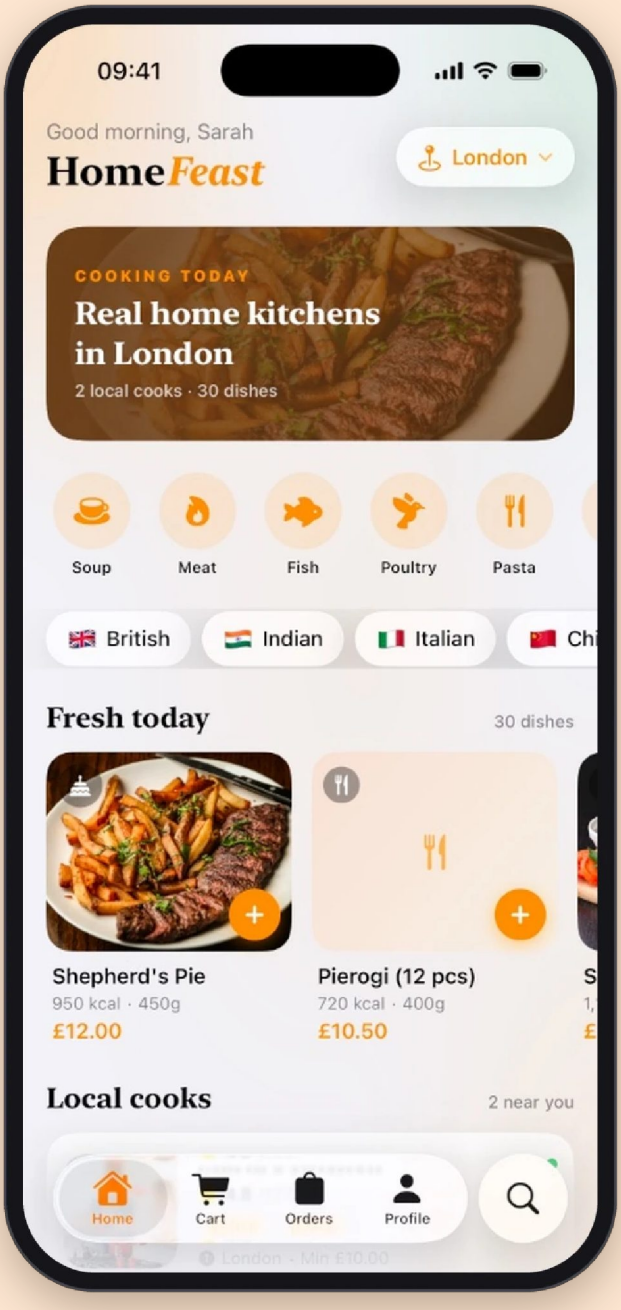
Every cuisine

British, Polish, Indian, Italian, Caribbean...

04

Local cooks

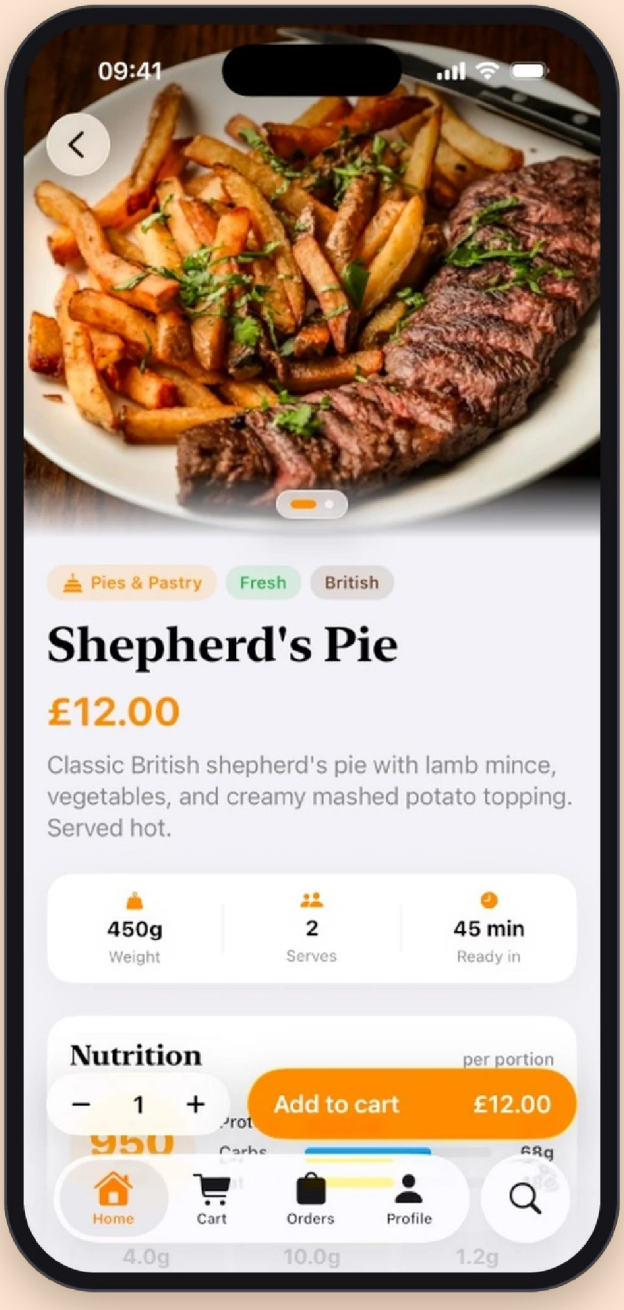
Kitchens near you with ratings.



DISH PAGE

Every dish has *a kitchen behind it*

Photos, price, portion, preparation time, nutrition and allergens on every dish.



01

Real photos

See exactly what you'll get.

02

Portion and time

Weight, servings and ready time.

03

14 UK allergens

Clearly listed on every dish.

04

Add to cart

Choose the quantity and add in a tap.

CHECKOUT

Delivery or collection, *cash or card*

Order in a tap and pay the cook directly at the door or at collection.

01

Delivery or collection

Whatever the kitchen offers.

02

Pay the cook directly

Cash or card on the chef's terminal.

03

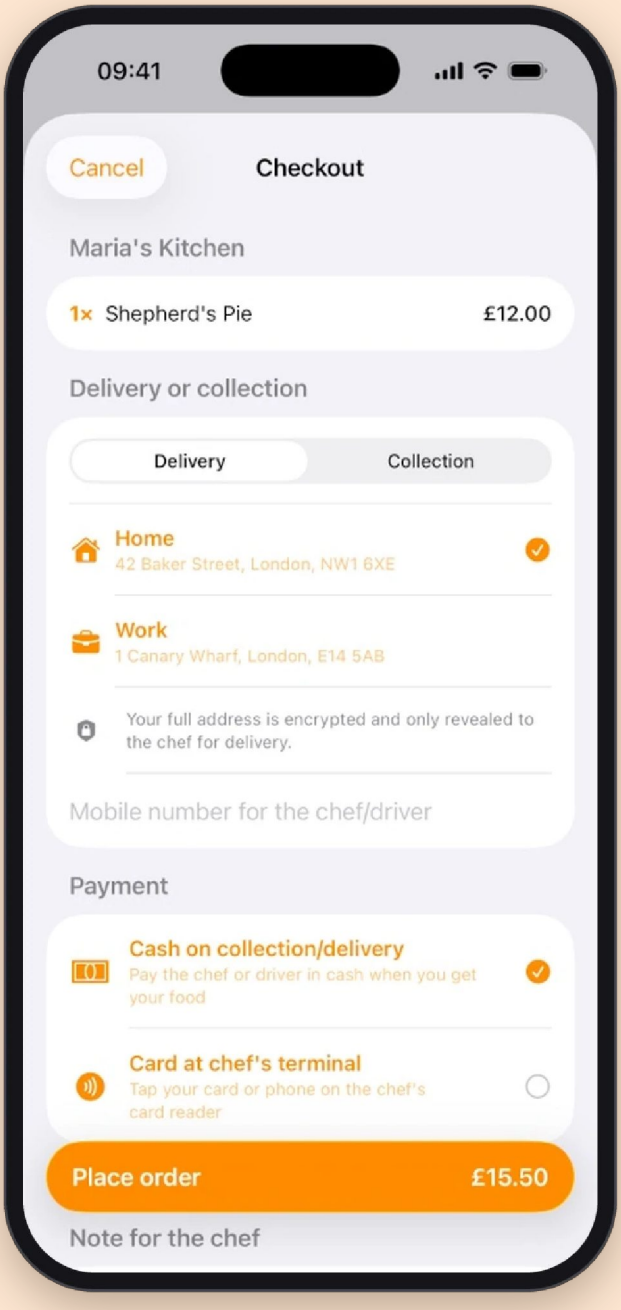
Address kept private

Shared only with the cook for delivery.

04

Note for the chef

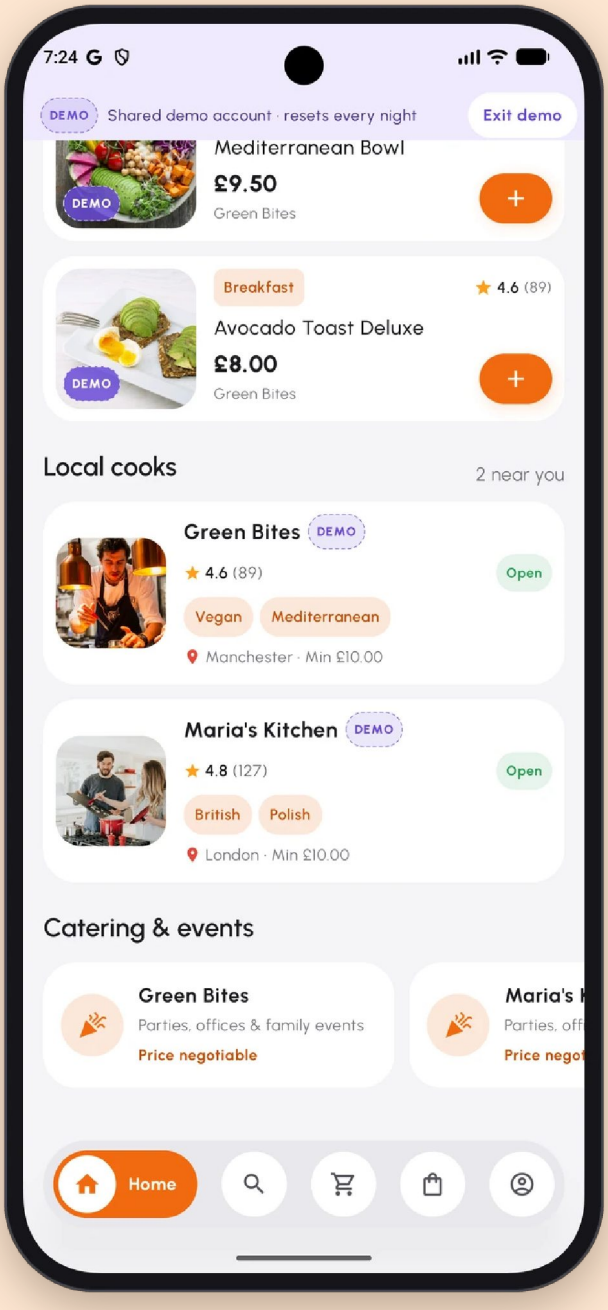
Add a message with your order.



LOCAL COOKS

Kitchens *and catering*

Discover local kitchens, their specialities and catering for events.



01

Local cooks

With cuisine tags and distance.

02

Open now

See who is cooking today.

03

Catering and events

Parties, offices and family events.

04

Home address private

Cooks' home addresses stay private.

FOR HOME COOKS

Your kitchen, *all in one app*

Open or close your kitchen with one switch, share today's menu and see orders and takings at a glance.

01

Open / closed

One switch for your kitchen.

02

Today at a glance

Orders, takings and active orders.

03

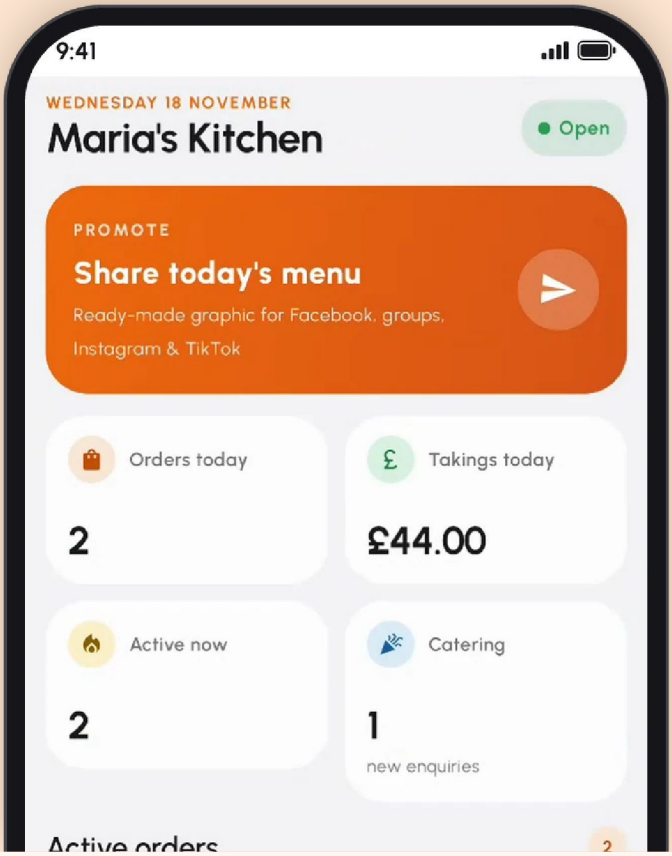
Kitchen page

Photos, prices and today's menu.

04

New customers

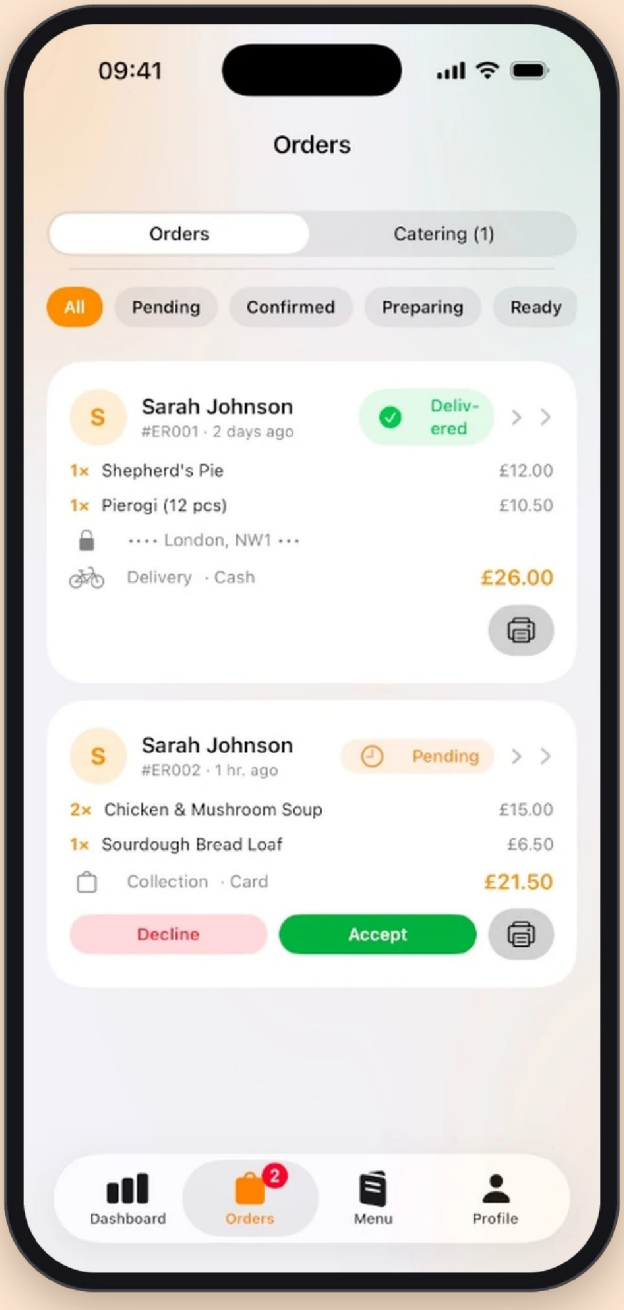
People nearby find you on the map.



ORDERS

Accept, cook, *print*

All orders in one list, with an alert for each new one and clear statuses.



01

Alerts

A notification for every new order.

02

Accept or decline

In one tap.

03

Statuses

Pending, confirmed, preparing and ready.

04

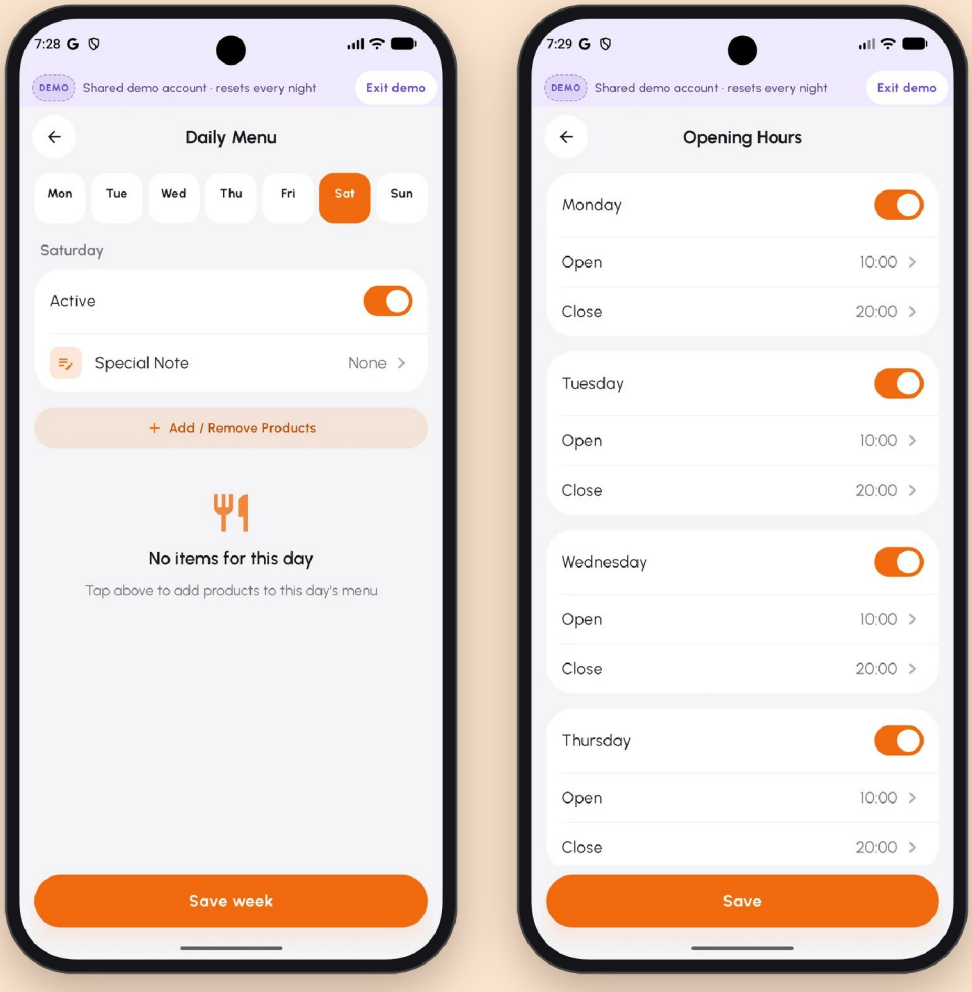
Order printer

Print tickets on an Android or Wi-Fi printer.

MENU & HOURS

Your menu, *your hours*

Set what you cook on each day of the week and when you're open.



01 **Daily menu**
Different dishes for different days.

02 **Opening hours**
Per day, with open and close times.

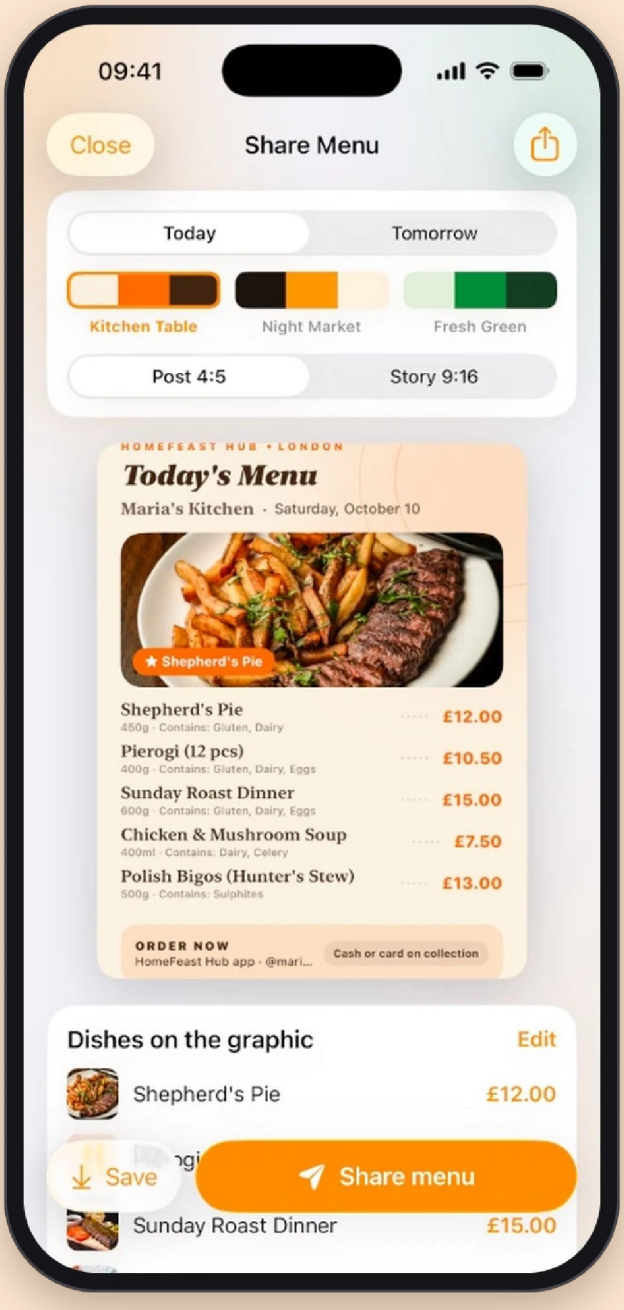
03 **Sold-out button**
Stop orders when you run out.

04 **Delivery radius**
Choose how far you deliver.

SHARE MENU

A menu flyer *every day*

One tap makes a ready-made flyer of today's menu for Facebook, Instagram, TikTok and WhatsApp.



01

Ready in one tap

Today or tomorrow's menu.

02

Post or story

Sizes for posts and stories.

03

Several styles

Kitchen table, night market and more.

04

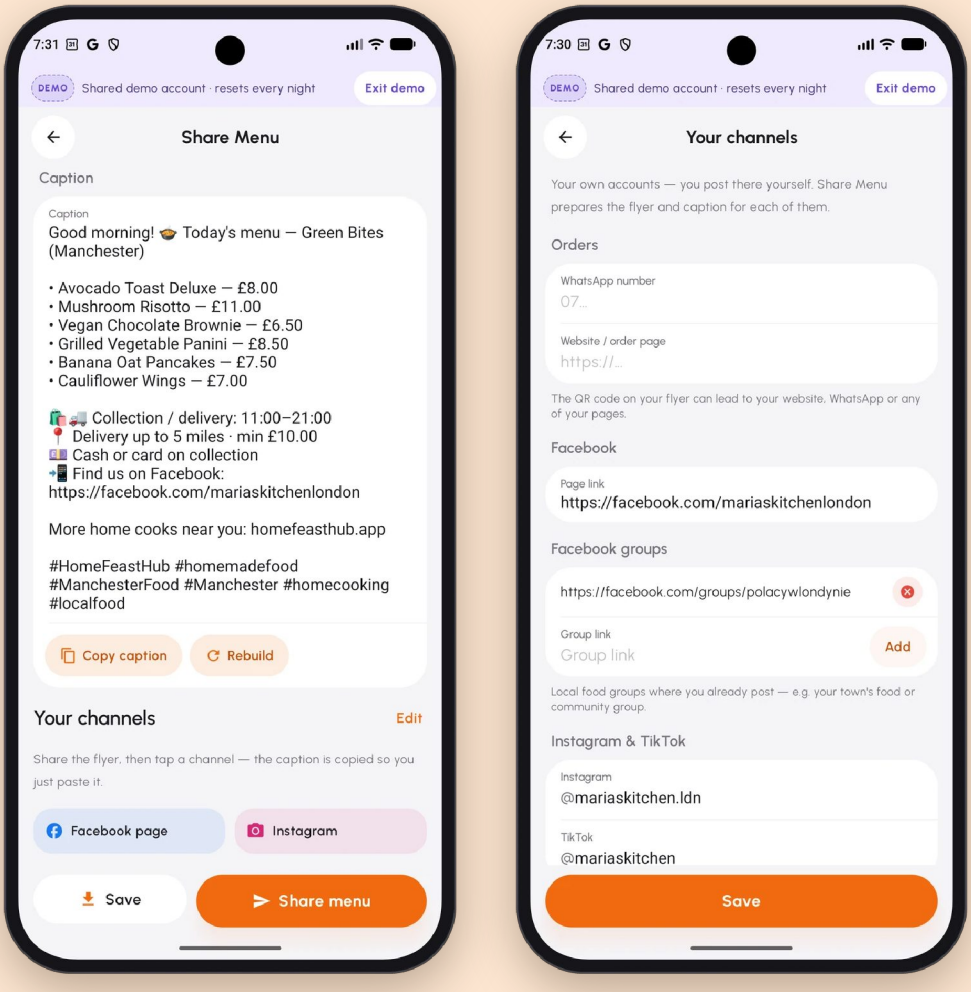
QR code

Customers scan straight to your kitchen.

YOUR CHANNELS

Post everywhere *in seconds*

Save your Facebook page, groups, Instagram and TikTok once — then share with a ready caption.



01 **Ready caption**
Dishes, prices, times and hashtags written for you.

02 **Your channels**
Facebook page and groups, Instagram, TikTok, WhatsApp.

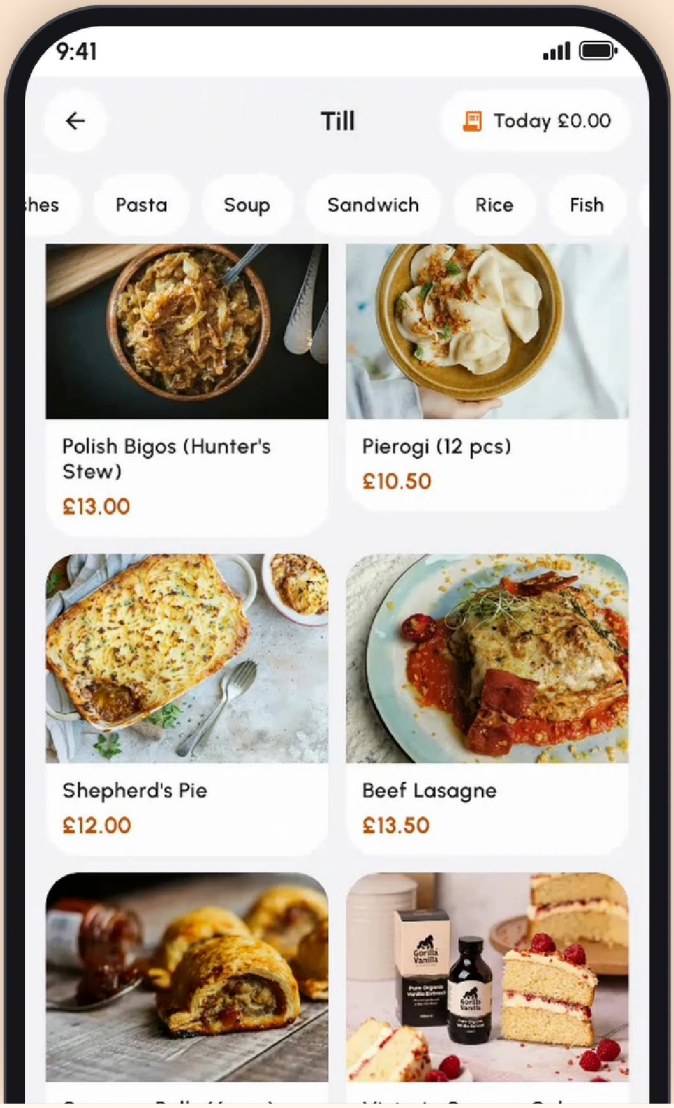
03 **Copy and share**
One tap per channel.

04 **Free extra promotion**
On HomeFeast Hub's own pages.

TILL

A till for *stalls and pop-ups*

Selling at a market or a pop-up? Take orders in person with a simple till.



01

Tap to sell

Your dishes as big buttons.

02

Cash or card

Record how each sale was paid.

03

Today's total

See takings as you go.

04

Same menu

Uses the dishes from your kitchen.

EARNINGS

See what sells *and what you earn*

Clear numbers for today, the week and the month — and what sells best.

01

Takings

Today, week and month.

02

Cash and card

Split by payment method.

03

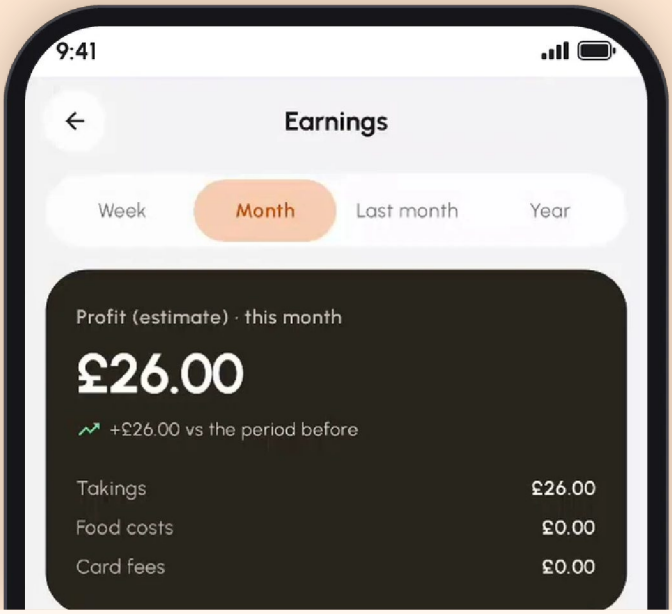
Best sellers

Your most popular dishes.

04

Export

Monthly report as PDF or CSV.



TRUST & SAFETY

Safe, fair *and private*

HomeFeast Hub is built to be fair to cooks and safe for customers.

14 UK allergens

Shown on every dish — always ask the cook if unsure.

Food hygiene

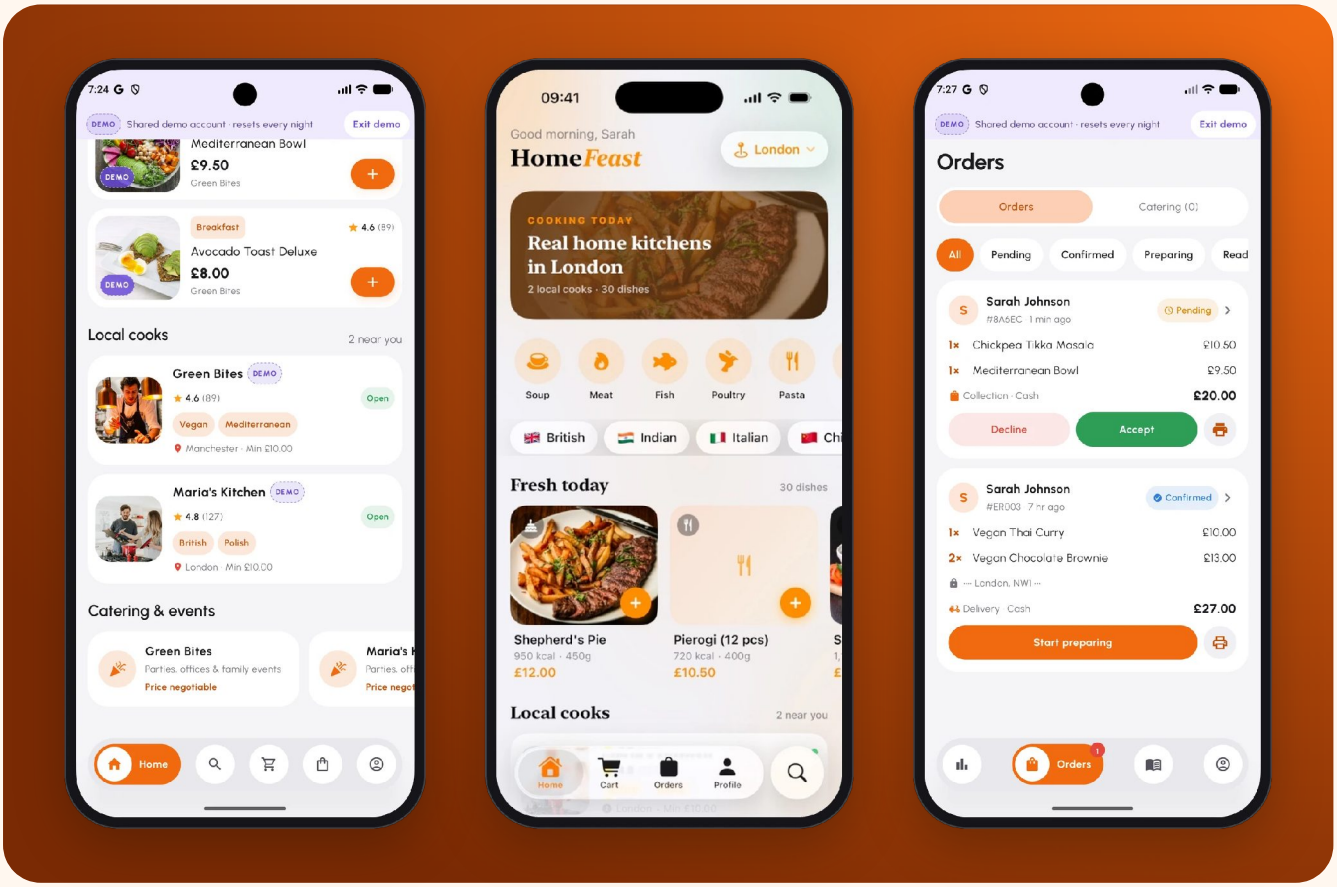
Cooks register with their local council as food businesses.

Private addresses

Home addresses are never shown publicly.

Delete any time

Delete your account at homefeasthub.app/delete-account.



PLANS & PRICES

Free to order. *Fair to cook.*

Customers use HomeFeast Hub for free. Cooks get 2 months free, then one simple monthly membership — with 0% commission.

CUSTOMERS

Free

Browse, order and pay the cook directly.
