LeaveMax

PRODUCT GUIDE

ANNUAL LEAVE PLANNER FOR ANY ROTA — IPHONE, IPAD, IPHONE DUO AND ANDROID

Leave maxxing *for any rota.*

LeaveMax finds exactly which days to request so your bank holidays and days off join up into the longest breaks — planned with your partner and around the school holidays.

iPhone & iPad | iPhone Duo | Android | Pay once

INSIDE THIS GUIDE

More time off, *same leave*

Most leave planners assume Monday to Friday and one person. LeaveMax starts with your real rota and your family. Example: 28 days of leave in England in 2027 can become 63 days off.

CONTENTS

3 Getting started
4 Your time off
5 Year calendar
6 Shifts & rotas
7 Plan with your partner
8 Family & school holidays
9 Share & print
10 Compare planning styles
11 Siri, iPhone Duo & privacy

01 **Shift workers**
Nights, 4 on 4 off, Panama, Continental, 9-day fortnight and more.

02 **Couples**
Plan both allowances so every break is one you're both off for.

03 **Parents**
Breaks inside the school holidays for your area.

04 **Office workers**
Turn bank holidays into long weekends and big trips.

UK, IRELAND, POLAND AND MORE

Bank holidays built in

Bank holidays for your country and region, cached on your device, with the legal minimum for your work pattern.

England & Wales
Scotland, N. Ireland

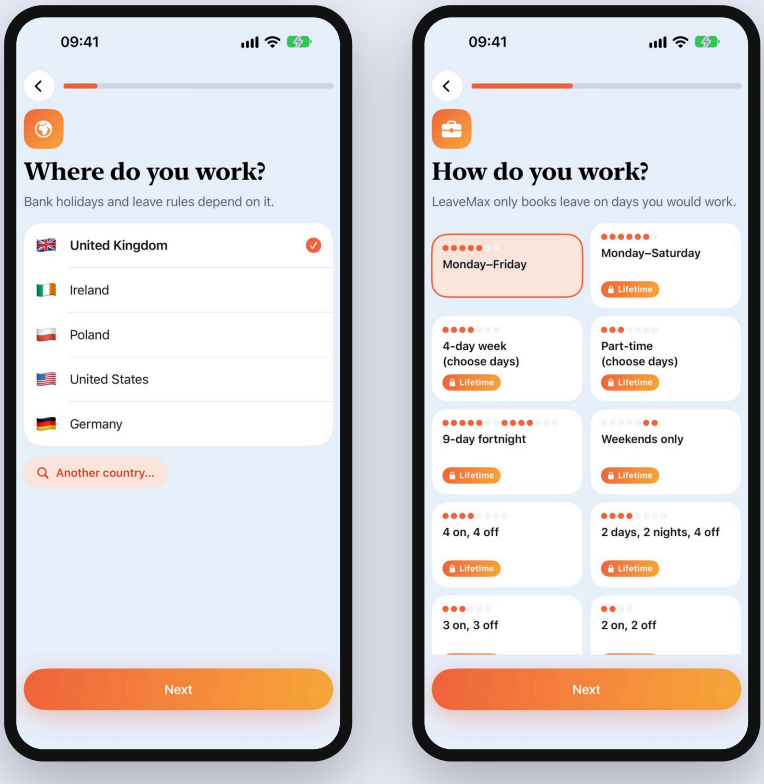
Poland
Every voivodeship

Your rota
Any cycle

GETTING STARTED

Your plan *in one minute*

Answer a few quick questions and your best breaks appear.



1 **Where do you work?**
Country and region decide your bank holidays.

2 **How do you work?**
Monday–Friday, shifts or your own cycle.

3 **How much leave?**
Days or hours, from your contract.

4 **See your plan**
The days to book and the breaks they create.

YOUR TIME OFF

Turn leave into *the longest breaks*

LeaveMax shows how many days off your leave becomes and exactly which days to book.

01

Days off, not days of leave

See the real time off each plan gives you.

02

Book these

A clear list of dates to request.

03

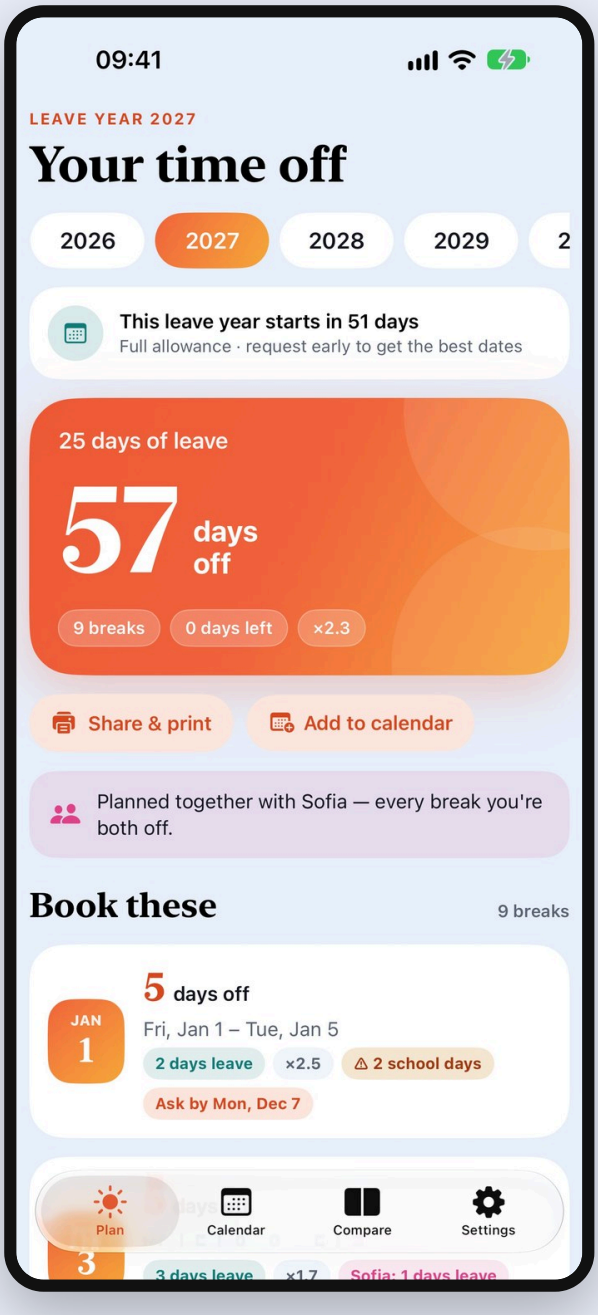
Ask by

When to put each request in.

04

Share and add to calendar

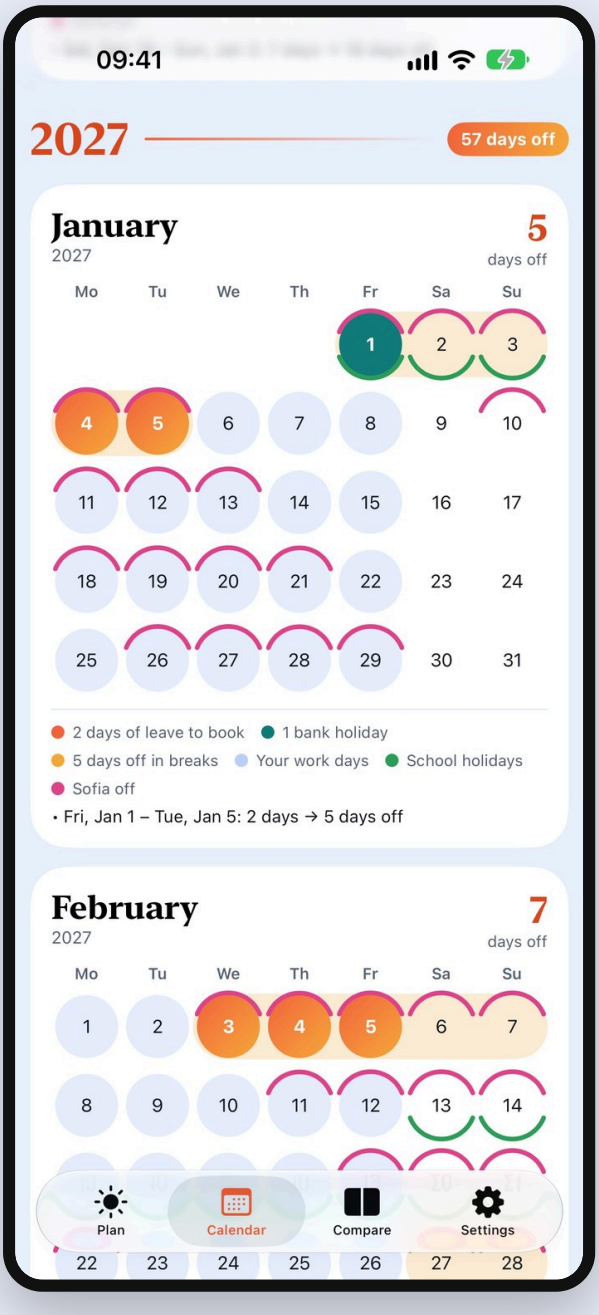
In one tap.



CALENDAR

Your year, *colour-coded*

Leave days, bank holidays, work days and breaks — all in one calendar.



01

Breaks highlighted

Every long break stands out.

02

Bank holidays

For your country and region.

03

Your work days

Shown from your real rota.

04

Next four years

Plan ahead with Lifetime.

ANY ROTA

Built for *real work patterns*

Shifts, nights, 4 on 4 off, Panama, Continental, a 9-day fortnight, part-time or weekends only.

01

Common rotas

Pick from ready-made patterns.

02

Your own cycle

Any custom pattern of days on and off.

03

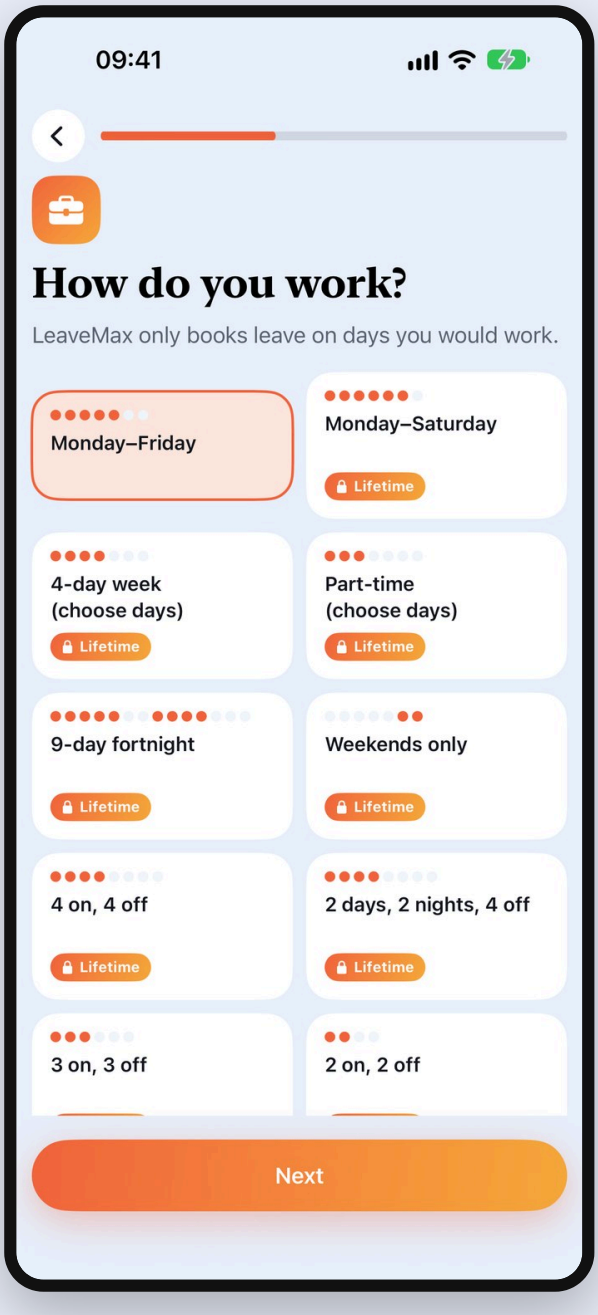
Leave in hours

For contracts that count hours.

04

Legal minimum

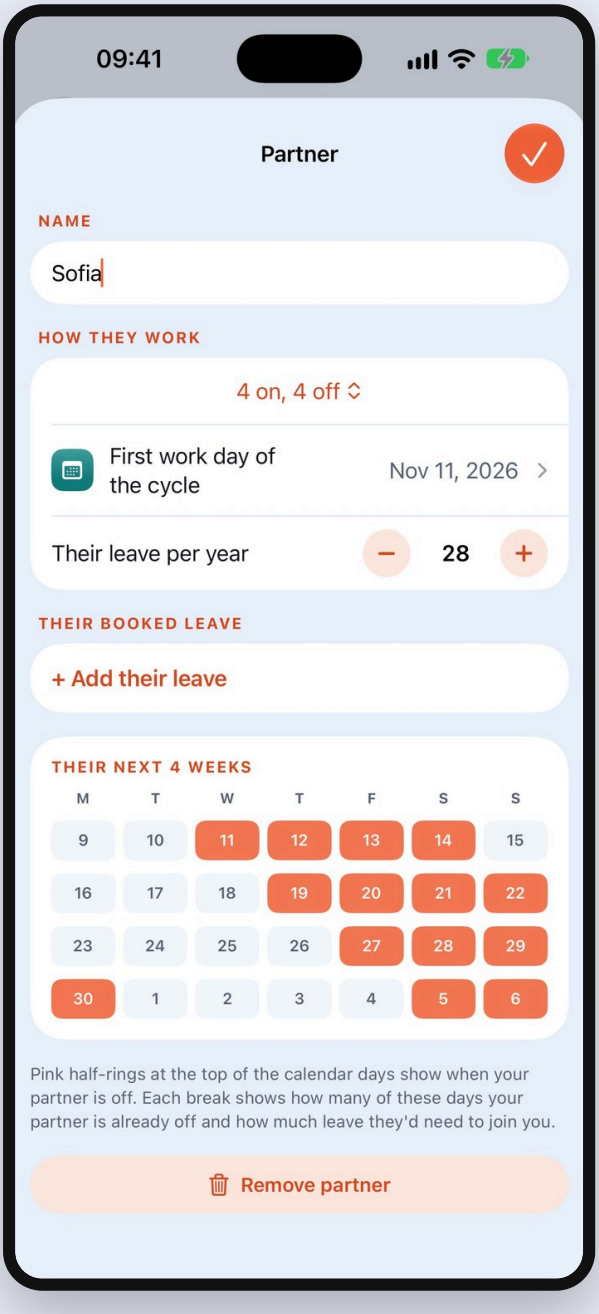
See the statutory minimum for your pattern.



PARTNER

Plan *together*

Add your partner's rota and allowance and switch on Plan together — every break is one you're both off for.



01

Both allowances

Worked out at once.

02

Your own work days

Each of you books only on your own days.

03

Their colour

Their days off show in their own colour.

04

No app needed

Send them a calendar file instead.

SCHOOL HOLIDAYS

Around *the school holidays*

Add your children and pick their school area — England, Wales, Scotland, Northern Ireland or any Polish voivodeship.

01

Usual holidays filled in

Edit any date or add INSET days.

02

Term-time rules

See which breaks would miss school days.

03

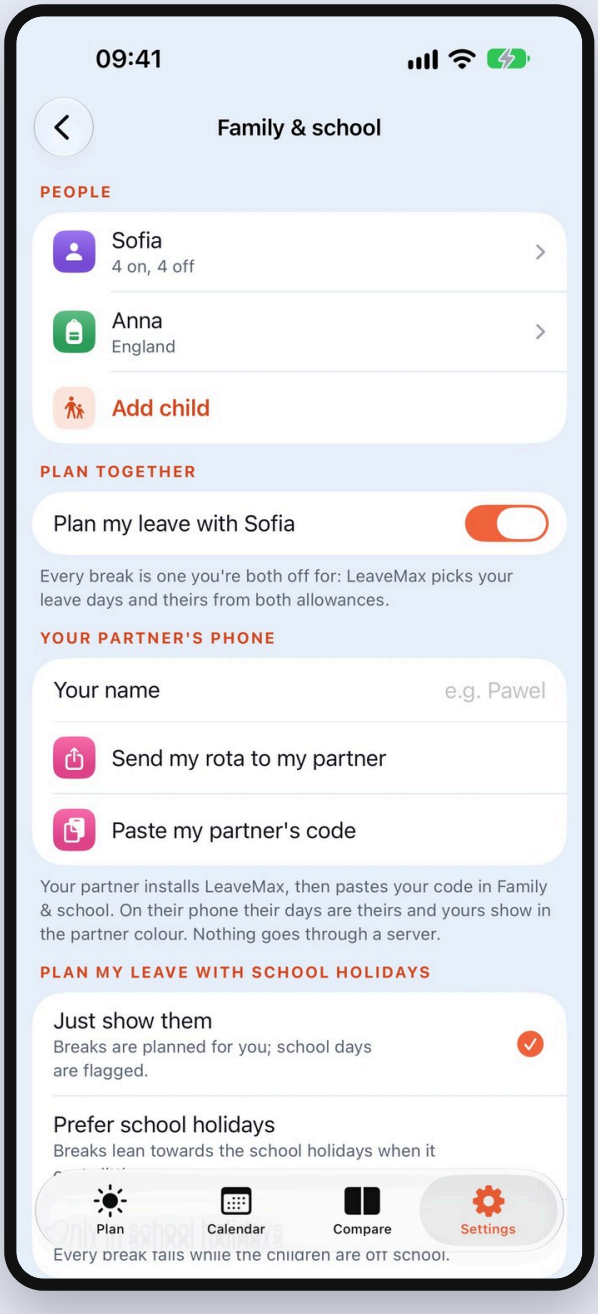
Only in school holidays

Keep every break inside the holidays.

04

The whole family

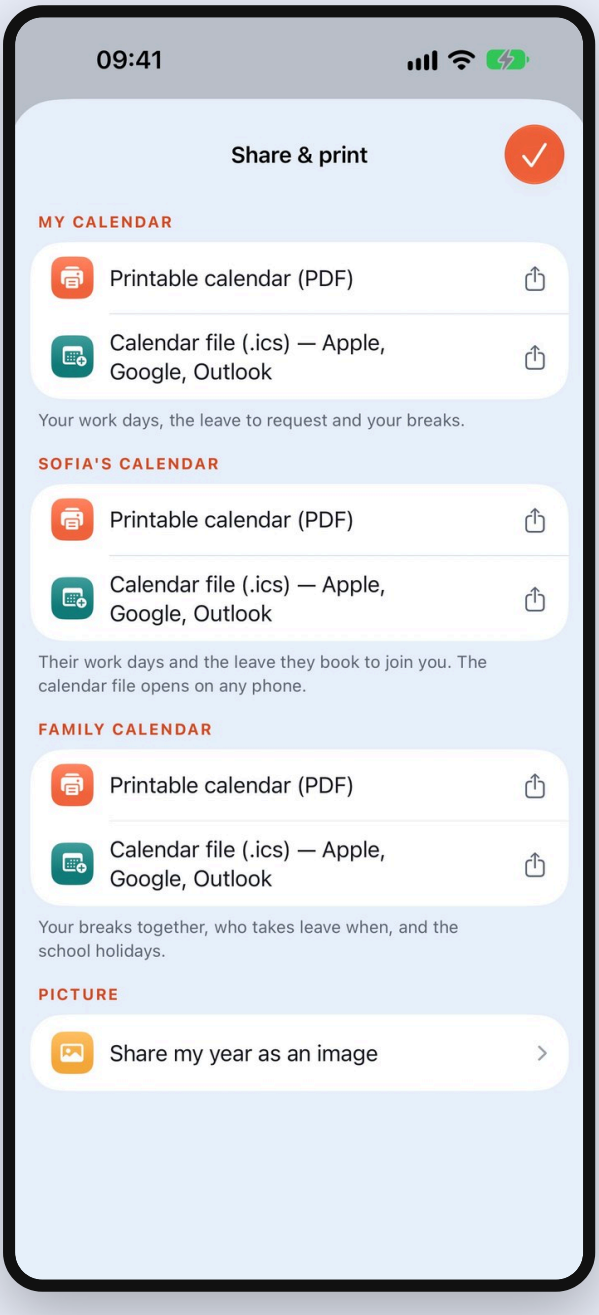
Partner and children on one calendar.



SHARE & PRINT

Calendars *for everyone*

Print a clear year calendar and send each person a calendar file — for any phone.



01

Printable PDF

For you, your partner and the family.

02

Calendar files

Open in Apple Calendar, Google Calendar or Outlook.

03

Checklist

What to request and when.

04

Share as image

Your year in one picture.

COMPARE

Two styles, *side by side*

Fewer, longer holidays or lots of long weekends? Compare before you choose.

01

Long breaks

Fewer, bigger holidays.

02

Balanced

A mix of both.

03

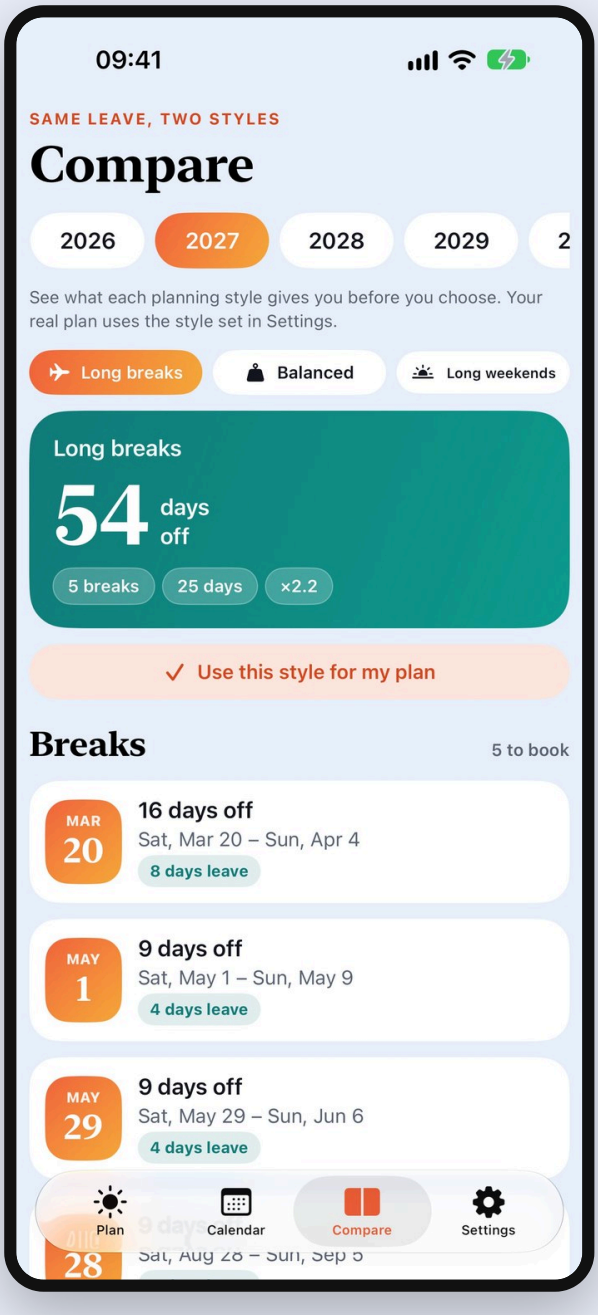
Long weekends

Lots of shorter breaks.

04

Use this style

One tap to switch your plan.



MORE

Siri, Duo and *privacy*

Small touches that make LeaveMax easy to live with.

Ask Siri

"When is my next break in LeaveMax?" — dates and how much leave to book.

iPhone Duo and iPad

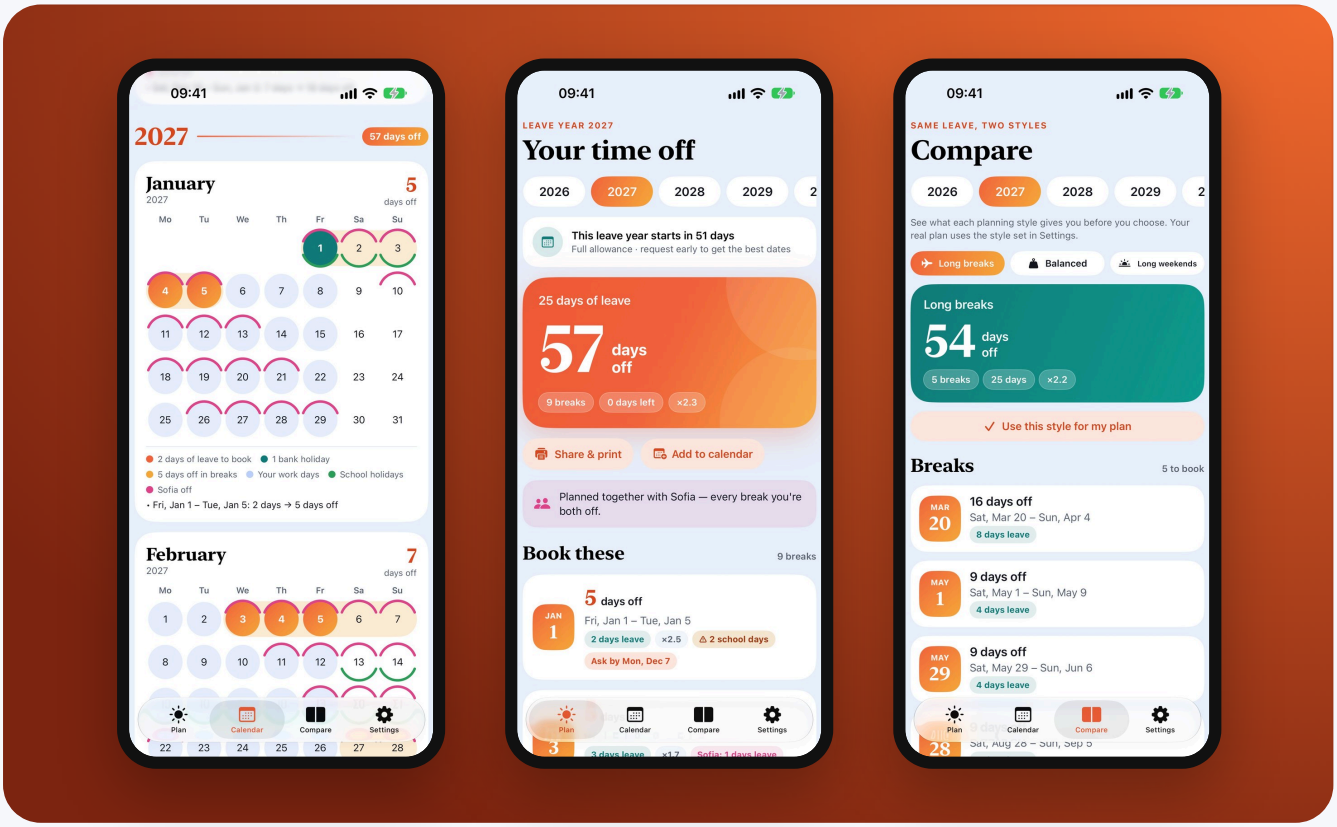
Your plan beside your calendar, meeting at the hinge.

No account, no server

Your rota and plans stay on your device.

For information

Your contract, employer and school decide — get leave approved before booking travel.



PLANS & PRICES

Try free. *Then pay once.*
