Magic Lotto

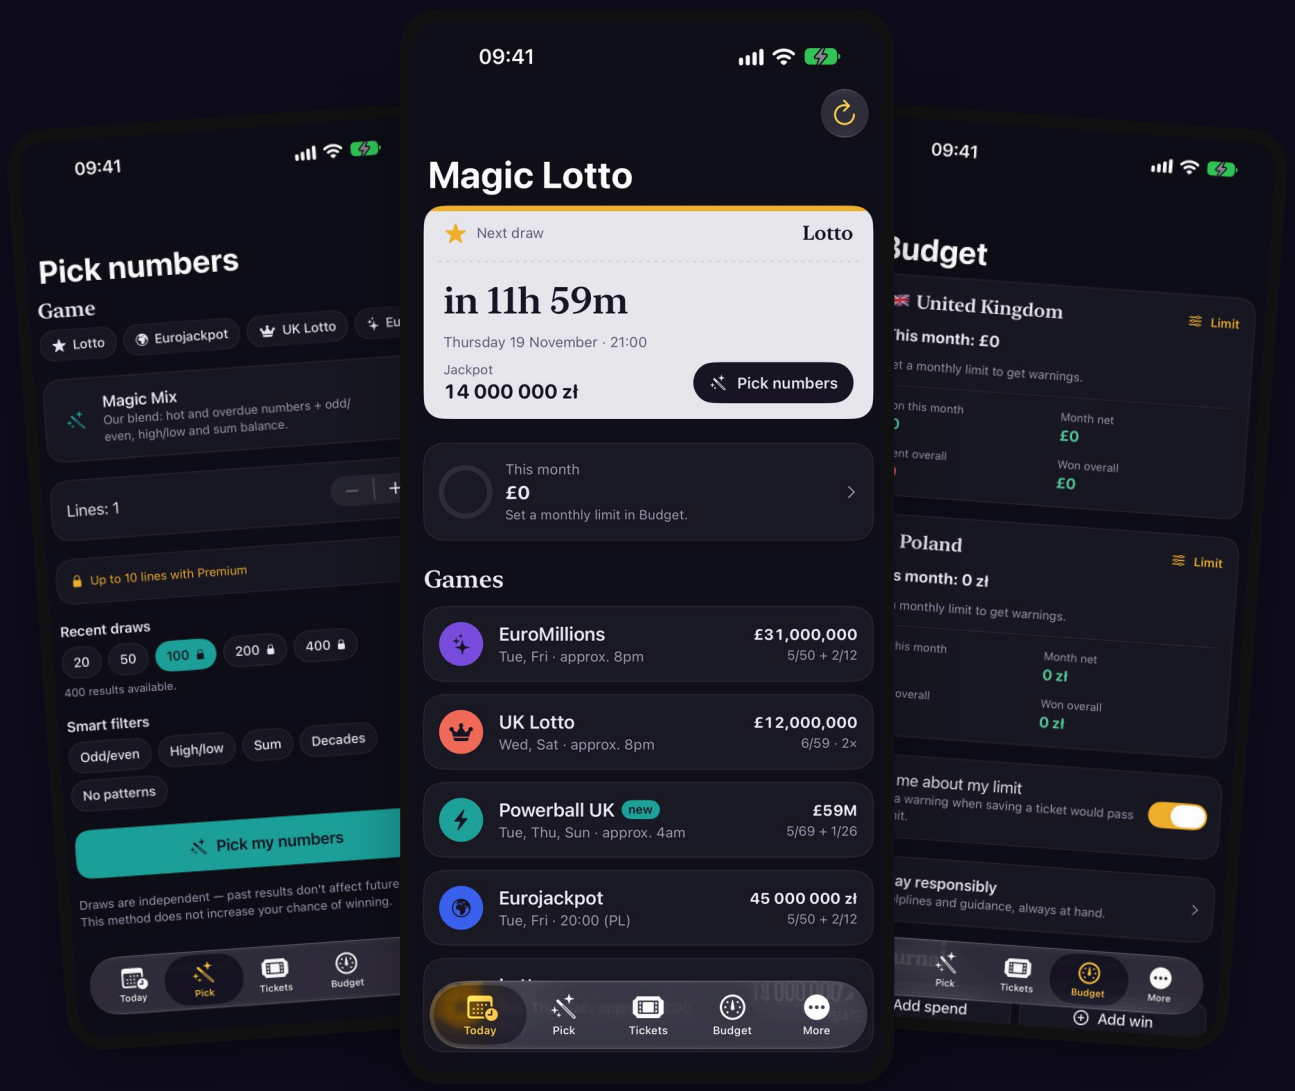
PRODUCT GUIDE

LOTTERY COMPANION FOR THE UK AND POLAND — IPHONE AND ANDROID · 18+

Pick numbers.
Play within budget.

Follow the draws, pick numbers your way, check how they would have done, scan your tickets and keep your playing inside a monthly limit.

iPhone | Android | UK & Poland | 18+ · Play responsibly



INSIDE THIS GUIDE

Your lottery *companion*

Magic Lotto is an entertainment and information tool. Results are random: nothing here can predict a draw or improve your odds, and the app does not sell tickets.

CONTENTS

3 Getting started
4 Today
5 Pick numbers
6 Methods & filters
7 History check
8 Tickets
9 Budget & play responsibly
10 Reminders, widget & privacy
11 Play responsibly

01 **Regular players**
All your games, draws and tickets in one place.

02 **Syndicates**
Split the cost of lines with friends.

03 **Number fans**
18 ways to pick numbers, with honest history checks.

04 **Budget-minded players**
A monthly limit with a warning before you pass it.

TWO COUNTRIES

UK and Polish games

UK Lotto, EuroMillions and Powerball UK, plus Lotto and Eurojackpot for Poland — in English and Polish.

UK
Lotto, EuroMillions, Powerball UK

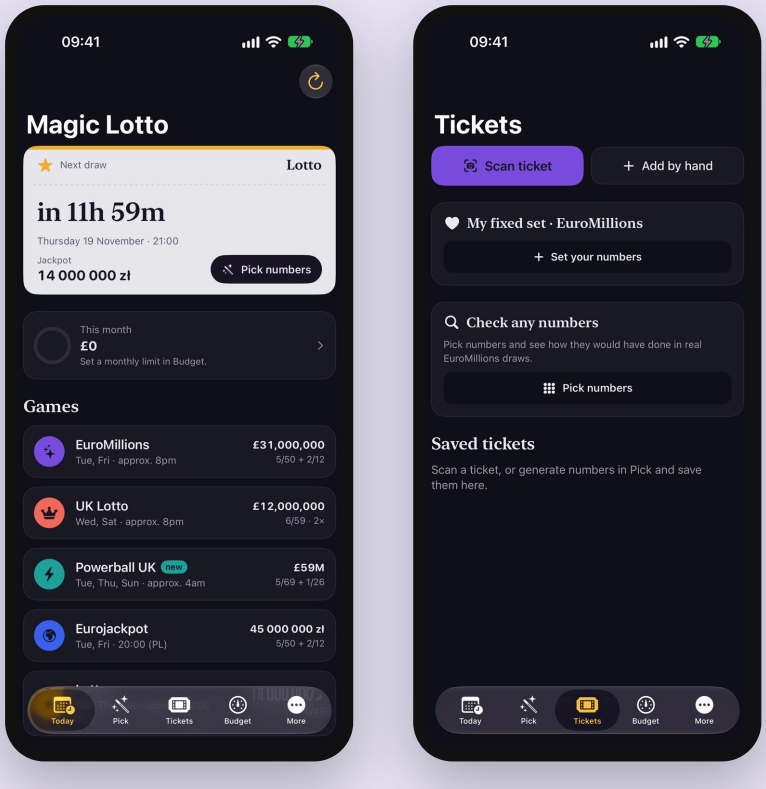
Poland
Lotto, Eurojackpot

Offline
Past draws without a connection

GETTING STARTED

Ready *before the next draw*

No account — open the app and see every game.



1 **See today**

Next draw, countdown and jackpot for every game.

2 **Pick numbers**

Choose a method and filters.

3 **Save a ticket**

Or scan your paper ticket.

4 **Set a budget**

A monthly limit for each country.

TODAY

Next draw *at a glance*

The next draw, countdown and jackpot for every game, plus what you've spent this month.

01

Countdown

Time left until the next draw.

02

Jackpots

For every UK and Polish game.

03

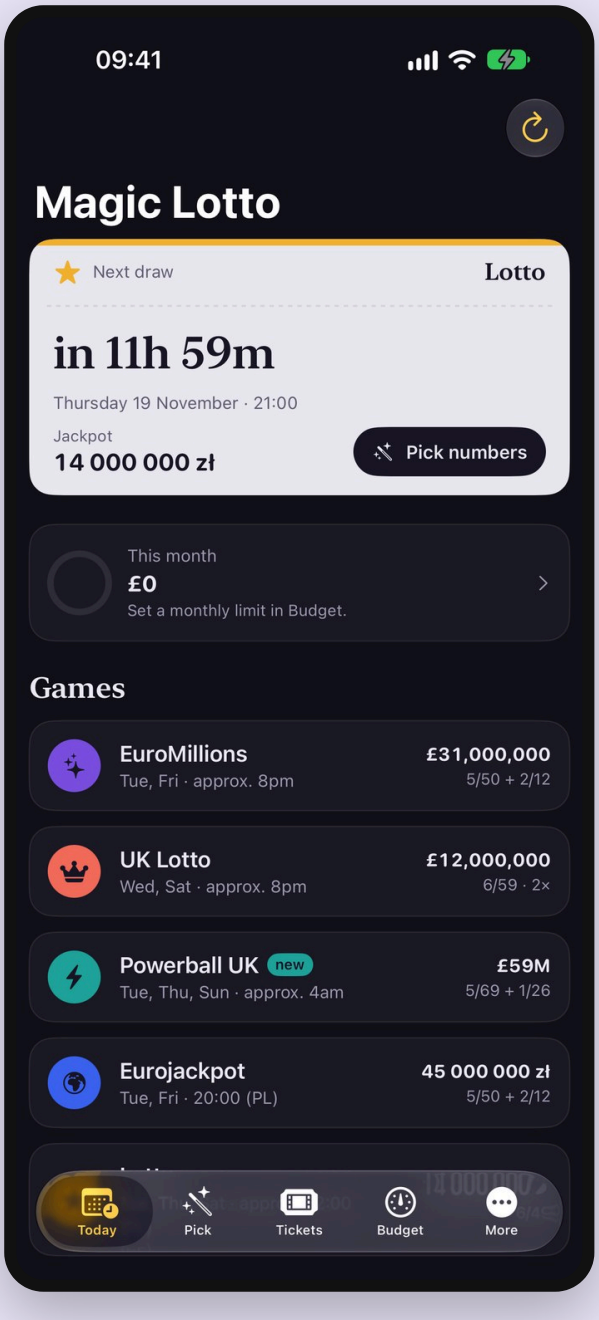
This month

Your spend against your limit.

04

Real results

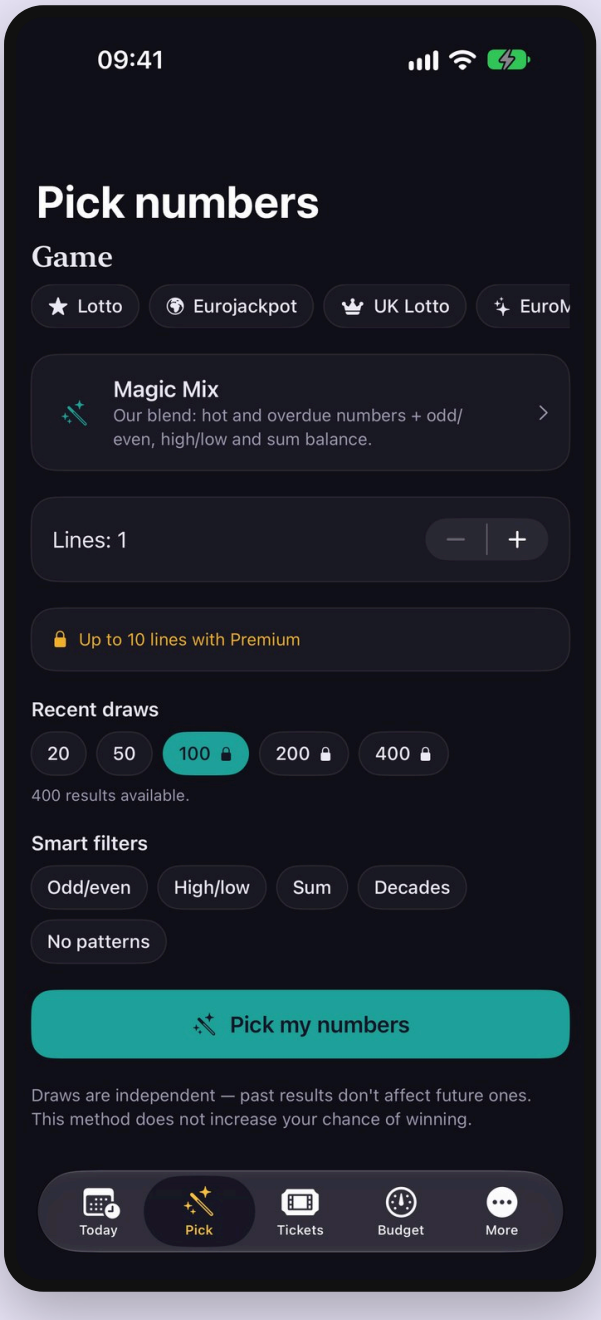
With an offline copy of past draws.



PICK NUMBERS

Pick numbers *your way*

Choose a game, a method and how many lines — then copy, share or save them.



01

Magic Mix

Our own blend of hot and overdue numbers with balance.

02

Up to 10 lines

With the cost per draw.

03

Split cost

Share the cost with friends.

04

Copy, share, save

Keep your numbers as a ticket.

METHODS

18 methods, *one clear guide*

Hot and cold numbers, overdue, averages, balanced odd/even and high/low, and full, abbreviated, key and Hesse wheels.

01

Frequency methods

Hot, cold, overdue and averages.

02

Wheels

Full, abbreviated, key and Hesse.

03

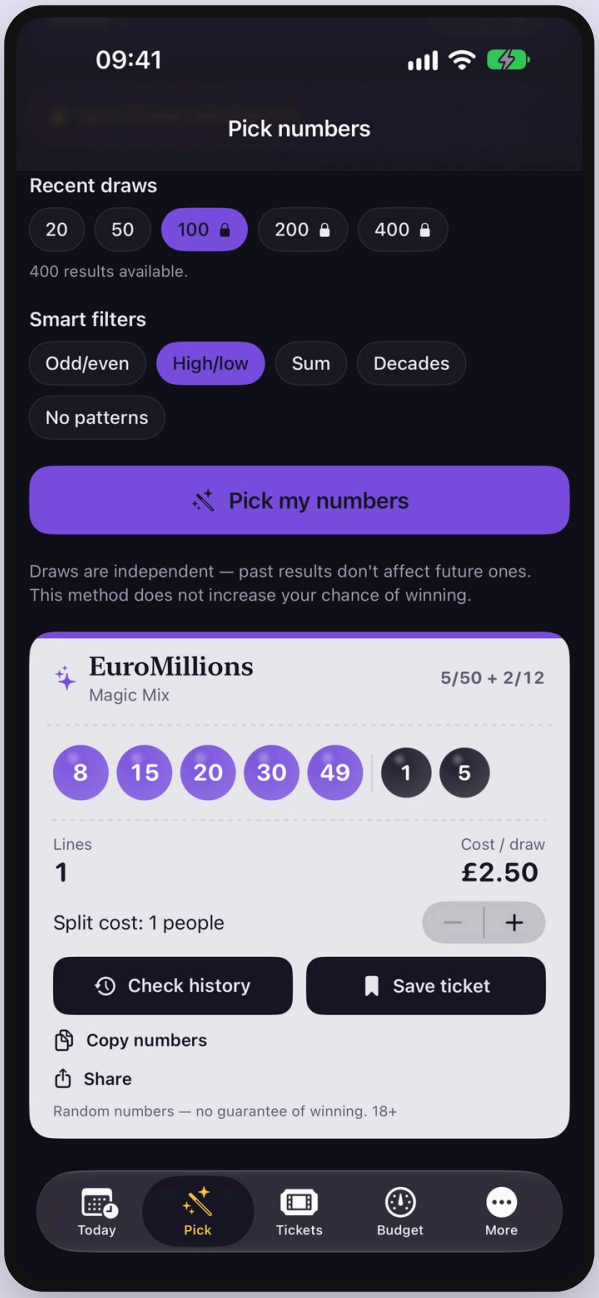
Smart filters

Odd/even, high/low, sum, decades and patterns.

04

Explained

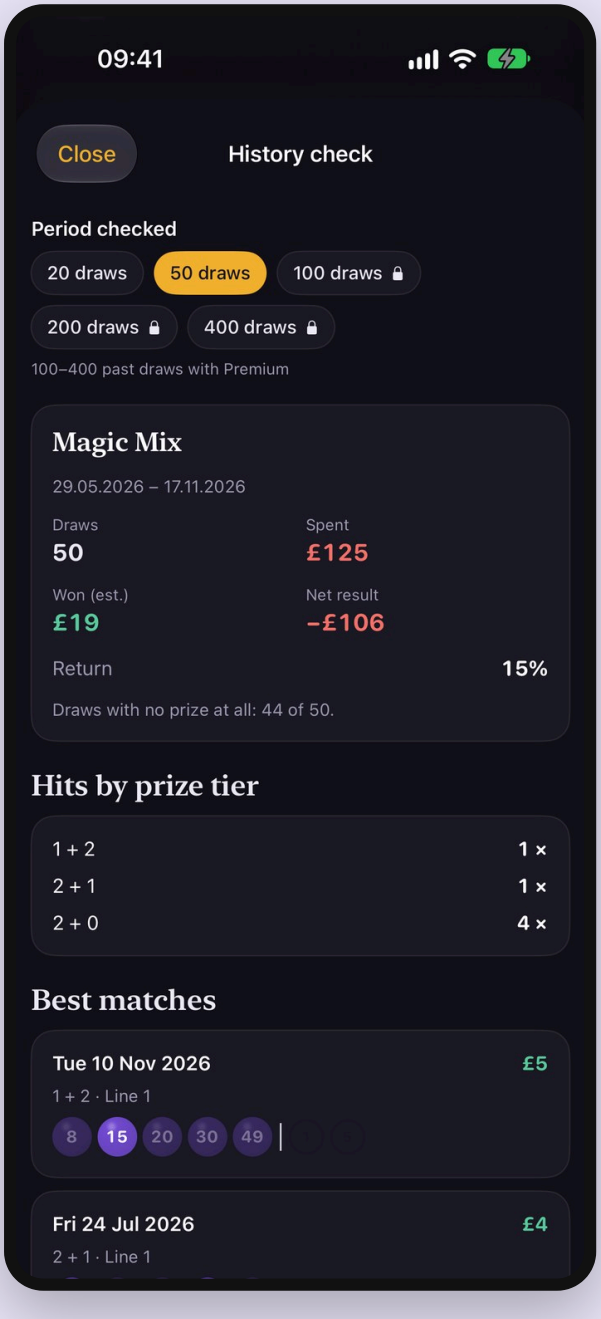
Every method described in plain words.



HISTORY CHECK

Check *the past*, honestly

See how your numbers would have done in the last 20 to 400 real draws — an honest look back that never predicts.



01

Real draws

From 20 up to 400 past draws.

02

Hits by prize tier

How often each tier was matched.

03

Cost and return

Estimated winnings and net result.

04

Best matches

Your closest results.

TICKETS

Scan a ticket, *see how it did*

Scan a paper ticket with the built-in scanner or add it by hand — reading happens on your phone.

01

Ticket scanning

On-device text recognition.

02

Add by hand

For any ticket.

03

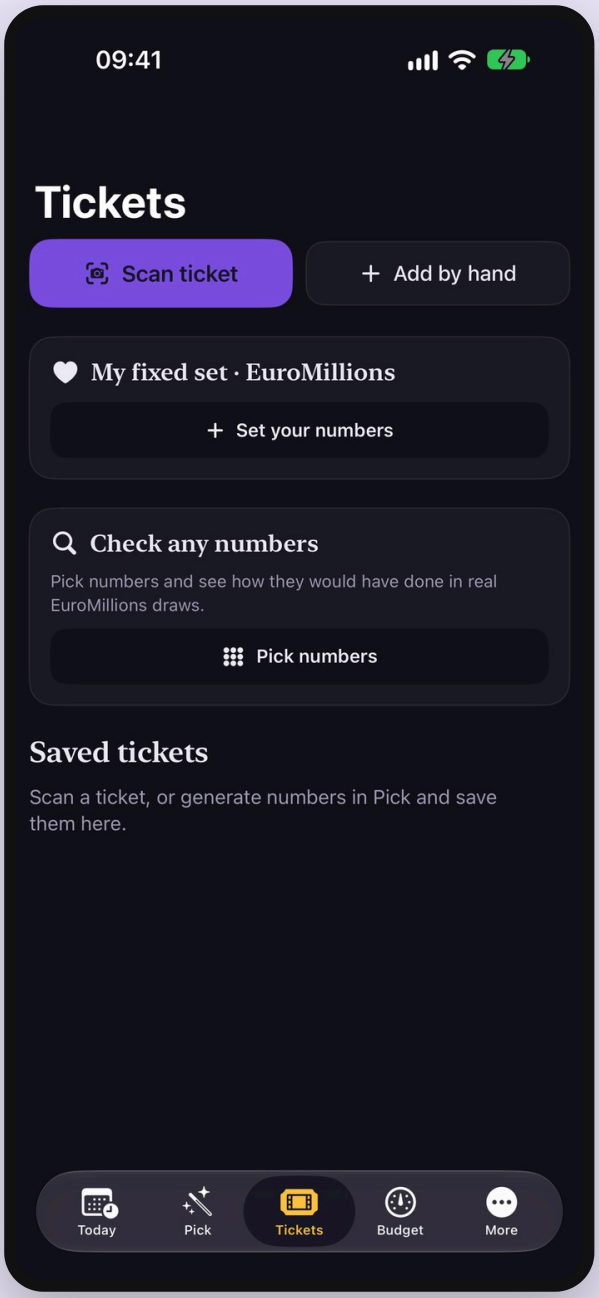
Fixed set

Keep your regular numbers and check every draw.

04

Saved tickets

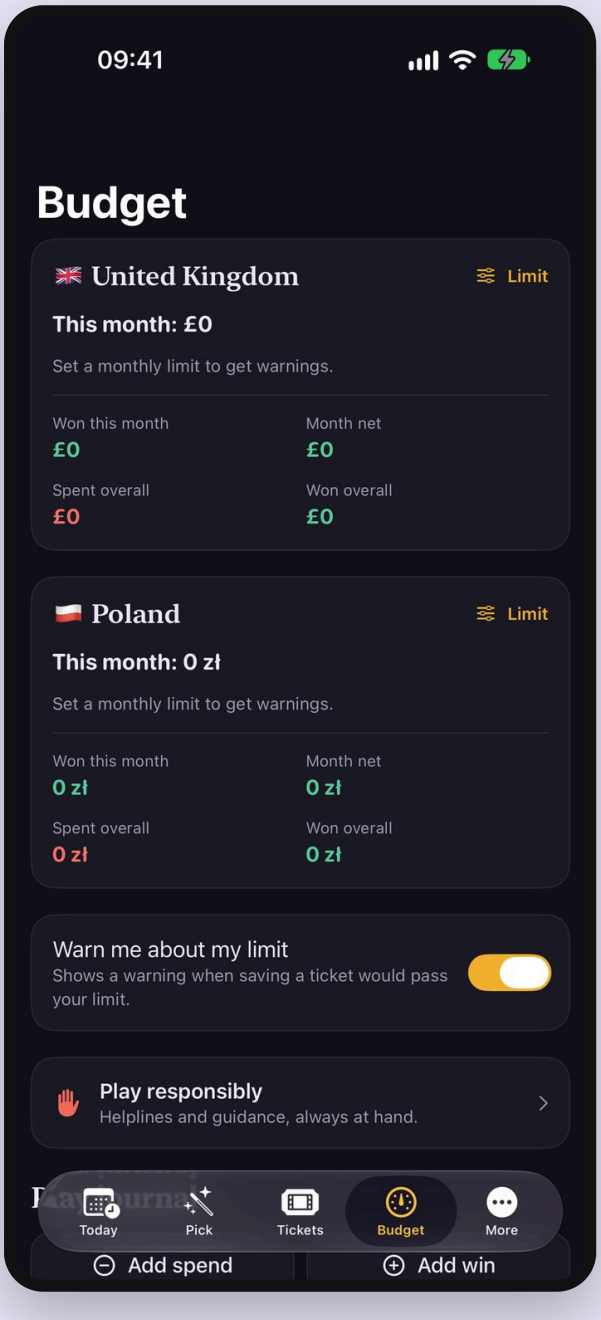
All in one list.



BUDGET

Set a limit, *stay in control*

A monthly limit for each country, a warning before a ticket would pass it, and a simple journal.



01

Monthly limits

Separately for the UK and Poland.

02

Warnings

Before a ticket would pass your limit.

03

Spend and win journal

See the real picture.

04

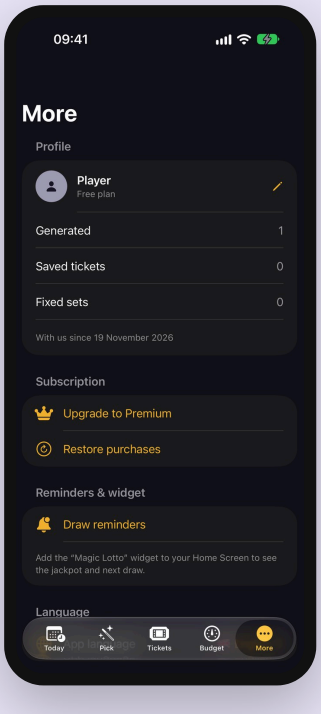
Help one tap away

Helplines and self-exclusion links.

REMINDERS & PRIVACY

Reminders, widget, *privacy*

Small helpers — and your data kept on your device.



Draw reminders

Before and after each draw, per game.

Home-screen widget

Jackpot and next draw.

On your device

Tickets, numbers and journal stay on your phone.

Delete in one tap

No account needed.

IMPORTANT

Play *responsibly*

Please read this before you play.

Results are random

Magic Lotto does not predict results or improve your chances.

Not a way to make money

We do not sell tickets, take bets or pay prizes.

Not affiliated

Game names are used for identification only.

Check officially

Always check your ticket with the official operator. 18+ only.

UK help

National Gambling Helpline, GambleAware and GAMSTOP.

Polish help

Helplines listed in the app for Poland.
