Veyra

PRODUCT GUIDE

YOUR OWN MUSIC, RADIO AND PODCASTS — PHONE, CAR, WEB AND DESKTOP

# Your music.
# *Your cloud.*

Veyra plays the music you already own. Upload your files once to your own private library and listen anywhere — phone, car, web, Mac and Windows.

iPhone | Android & Android Auto | veyraplayer.uk | Mac & Windows

INSIDE THIS GUIDE

# Everything you listen to, *one app*

No catalogue to rent and no server to run. Veyra turns your own files into a beautiful library, then adds internet radio, podcasts, AI playlists and a friendly family radio voice.

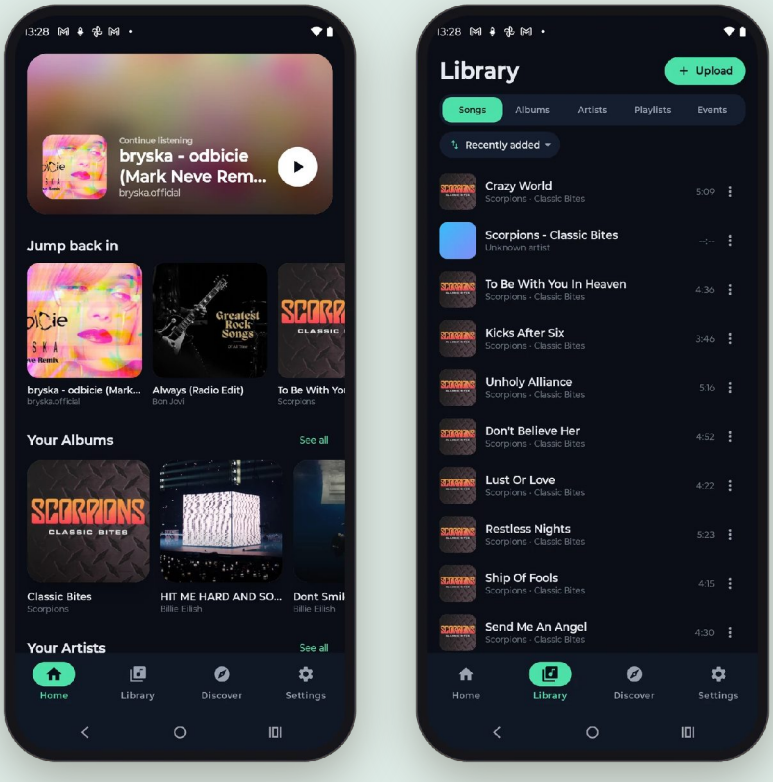
**Desktop**
Mac and Windows

GETTING STARTED

# Your library *in three steps*

Upload once — Veyra does the organising.



**1** **Create your account**

Free to start, with 500 MB of storage.

**2** **Upload your files**

MP3, FLAC, M4A and more.

**3** **Let Veyra organise**

Albums, artists and covers built from your tags.

**4** **Listen anywhere**

Phone, car, web and desktop.

HOME

# Jump back in, *instantly*

Continue listening, recent albums and your artists — the moment the app opens.

01

### Continue listening

Pick up exactly where you left off.

02

### Jump back in

Your recent albums and playlists.

03

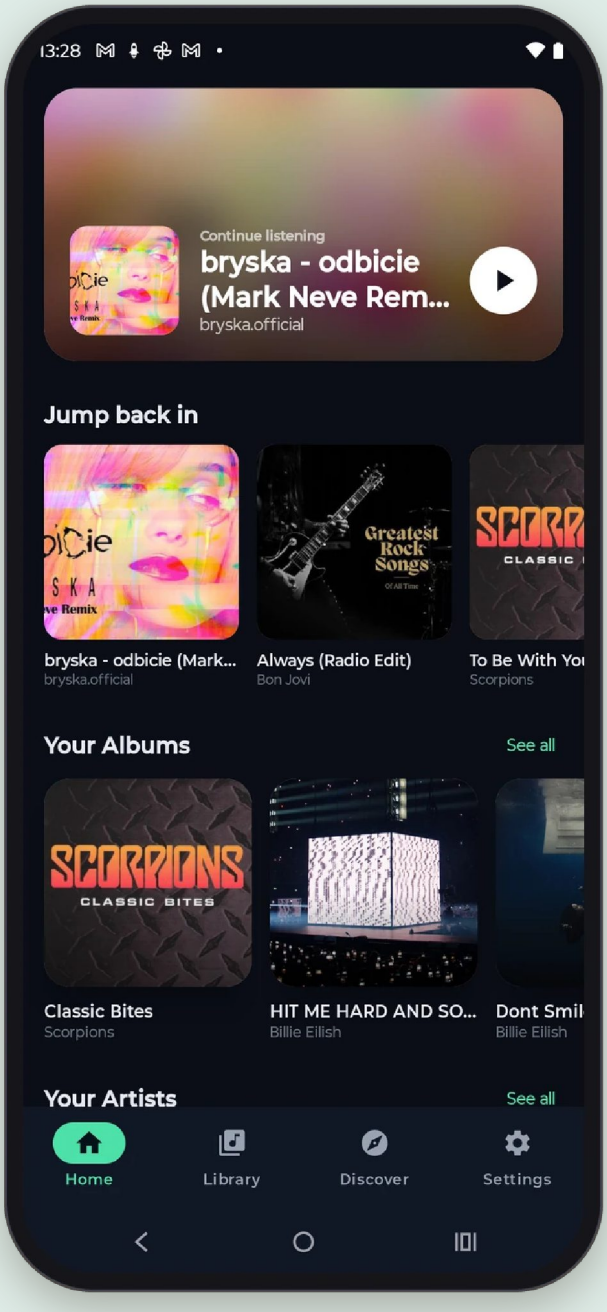
### Your albums and artists

Big covers, one tap to play.

04

### Opens instantly

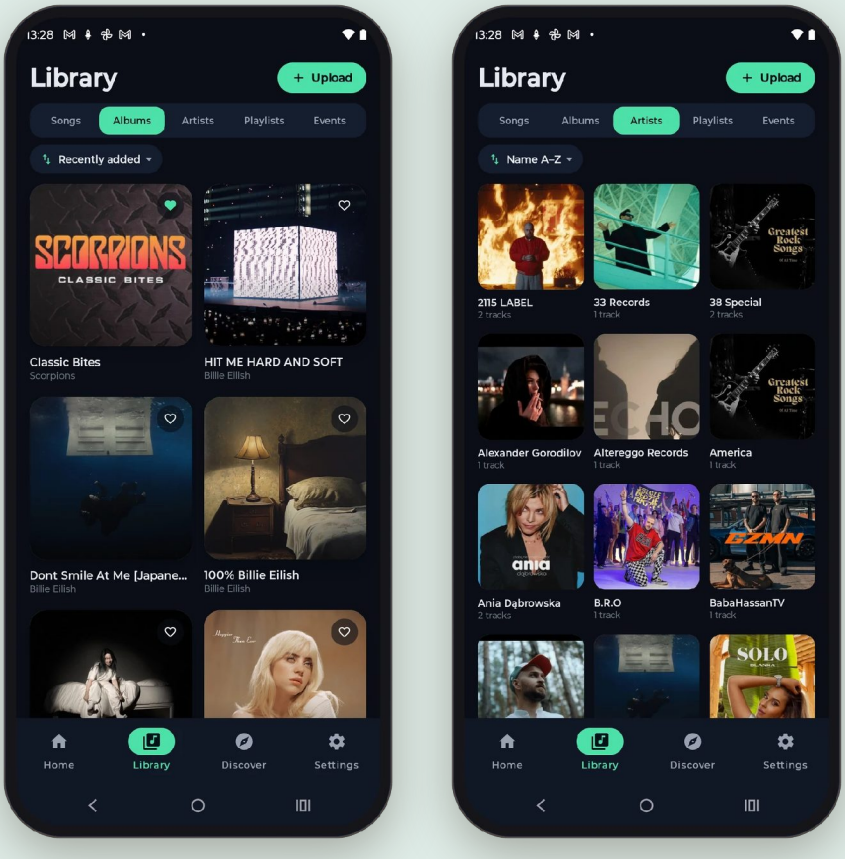
Your library is kept on the phone; only the song you press downloads.



LIBRARY

# Organised *for you*

Veyra reads your tags and builds albums and artist pages automatically, with cover art found for you.



**01** **Songs, albums, artists**
Every view sorted your way.

**02** **Cover art**
Found automatically, or make your own with AI covers and collages.

**03** **Playlists and likes**
Build playlists and like songs.

**04** **Sort any list**
Newest first, A–Z or most played.

UPLOAD

# Bring the music *you own*

Upload files once to your private cloud library — and they are yours on every device.

01

### Many formats

MP3, FLAC, M4A and more.

02

### Tags read for you

Artist, album, year and track numbers.

03

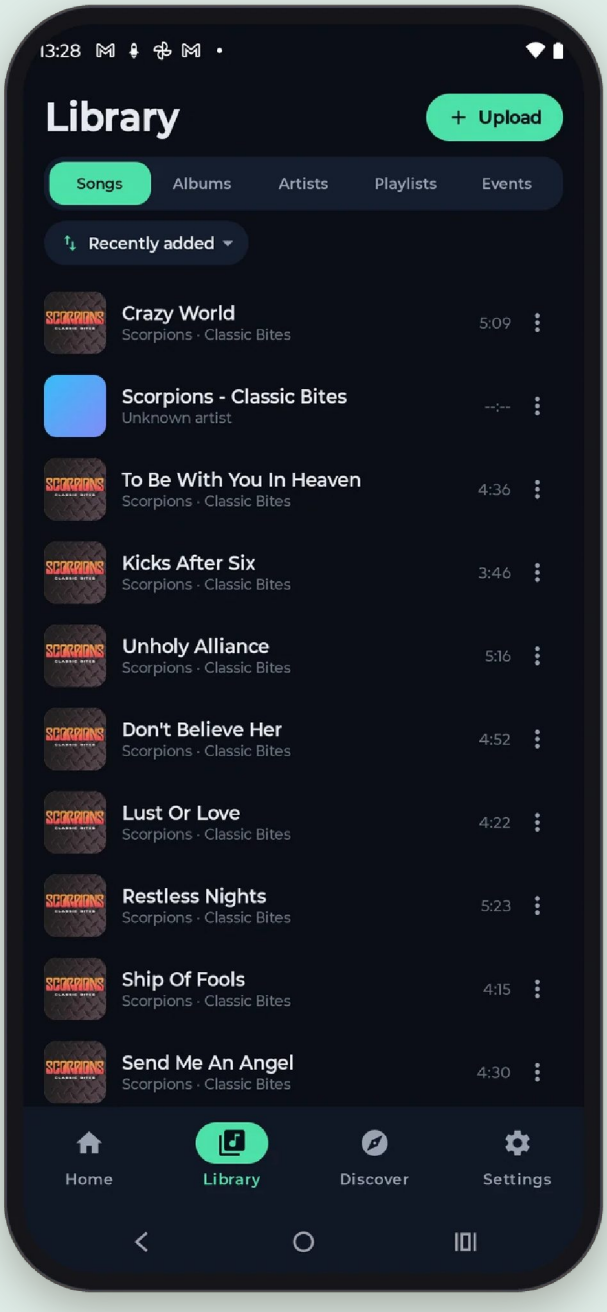
### Private

Your files are never shared with other users.

04

### Lossless on VIP

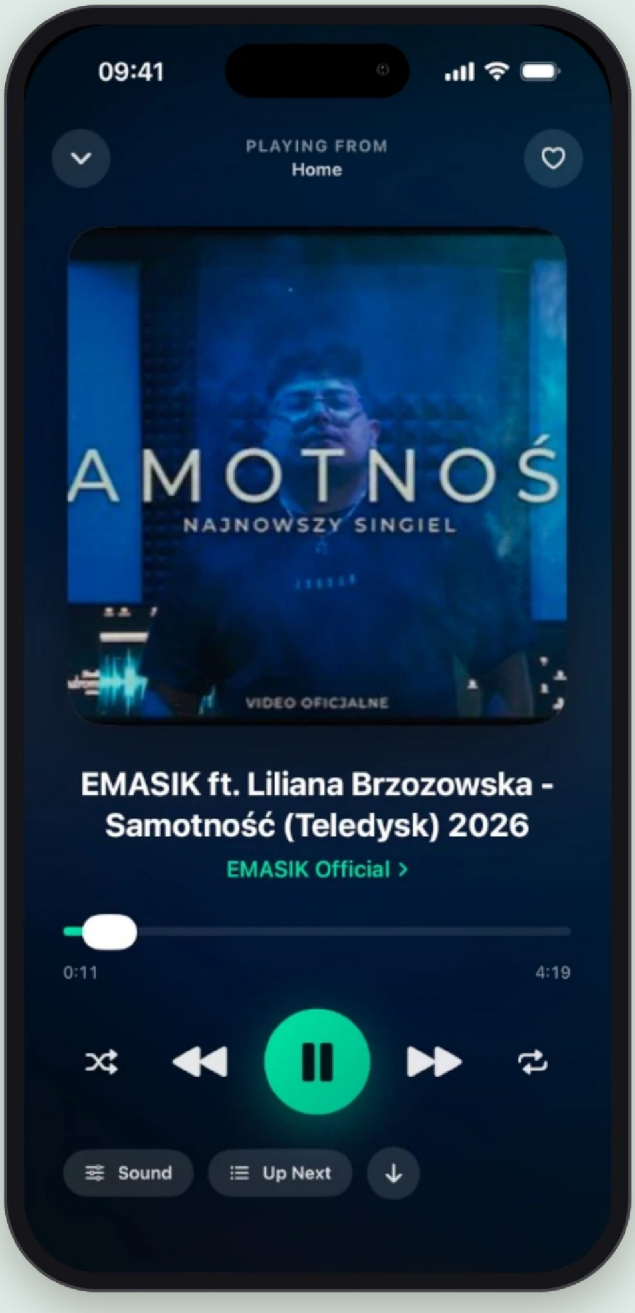
Original quality on VIP plans.



NOW PLAYING

# Pure *listening*

A beautiful player with tinted glow, lock-screen controls and Bluetooth support.



01

### Big cover art

With colours that follow the album.

02

### Lock screen

Controls with cover art.

03

### Bluetooth and car

Works with headphones, speakers and cars.

04

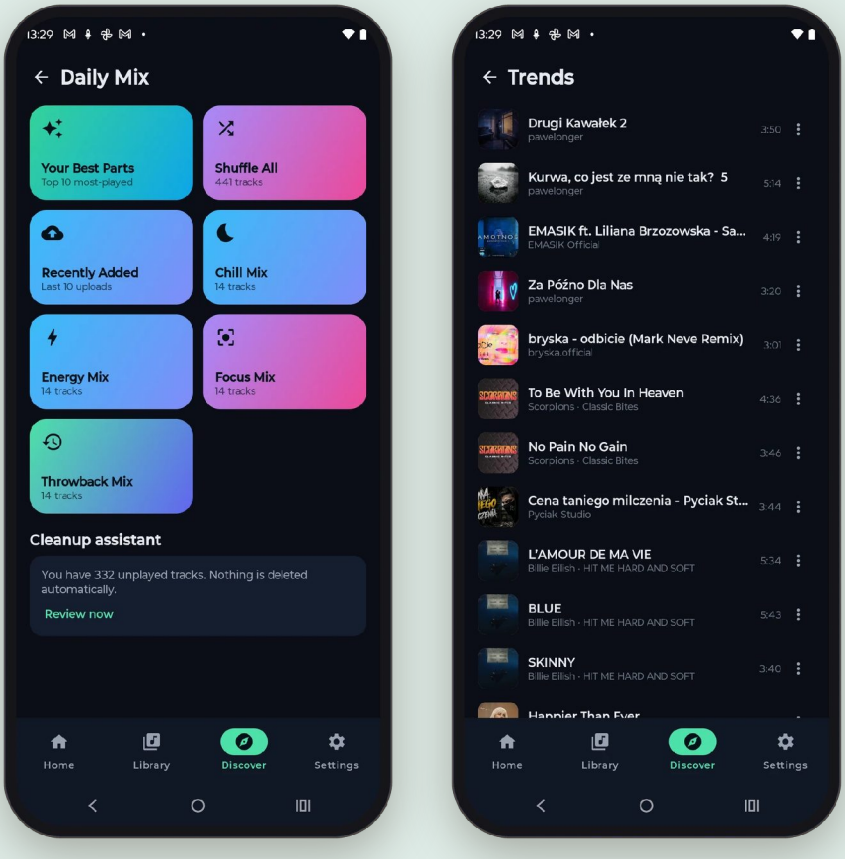
### Queue

See and change what's next.

DISCOVER

# Daily Mix *and Trends*

Mixes built from how you listen — only from your own music.



01 **Daily Mix**
Your best parts, energy mix, focus and more.

02 **Trends**
What you are playing most right now.

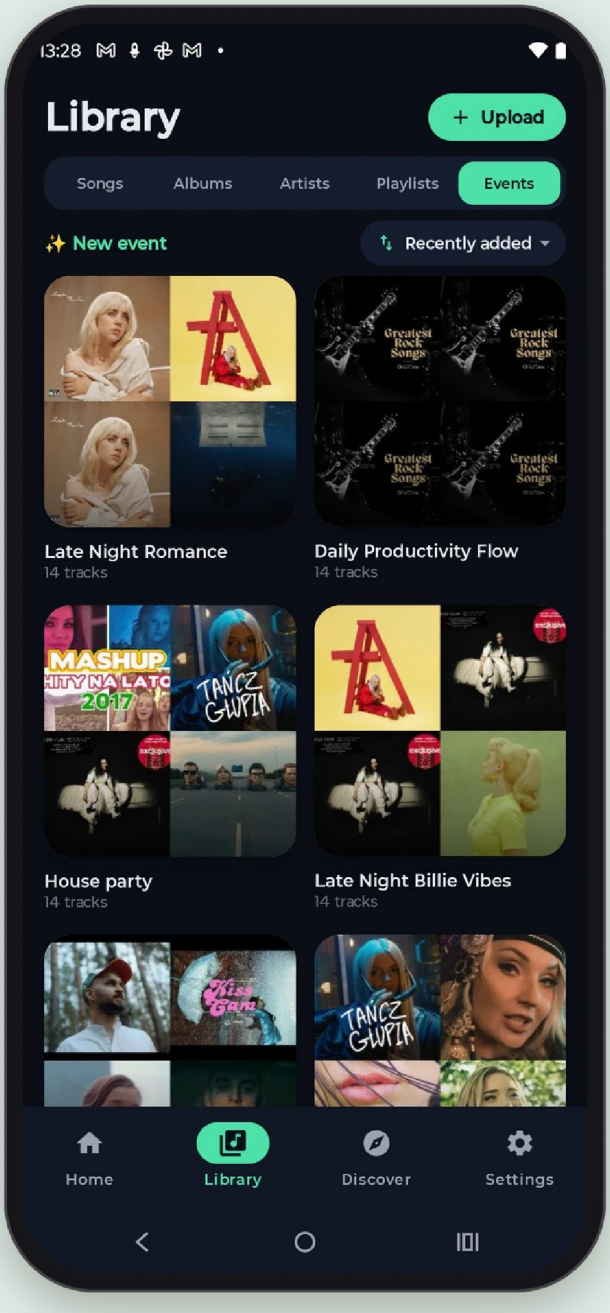
03 **Throwback**
Songs you haven't heard in a while.

04 **Cleanup assistant**
Find unplayed tracks without deleting anything automatically.

EVENTS AI

# Describe it. *Hear it.*

Describe a barbecue, a birthday or a long drive and Veyra builds the playlist — only from songs you own.



01

### Any occasion

Parties, drives, workouts and quiet evenings.

02

### Only your songs

Built from your own library.

03

### Refine it

Remove a song, add more, change the mood.

04

### Save it

Keep it as a playlist when it's perfect.

RADIO

# Live radio *worldwide*

Internet radio stations from all over the world, with your favourites saved.

01

### Search stations

By name or genre.

02

### Browse by country

From the UK and Poland to Greece and beyond.

03

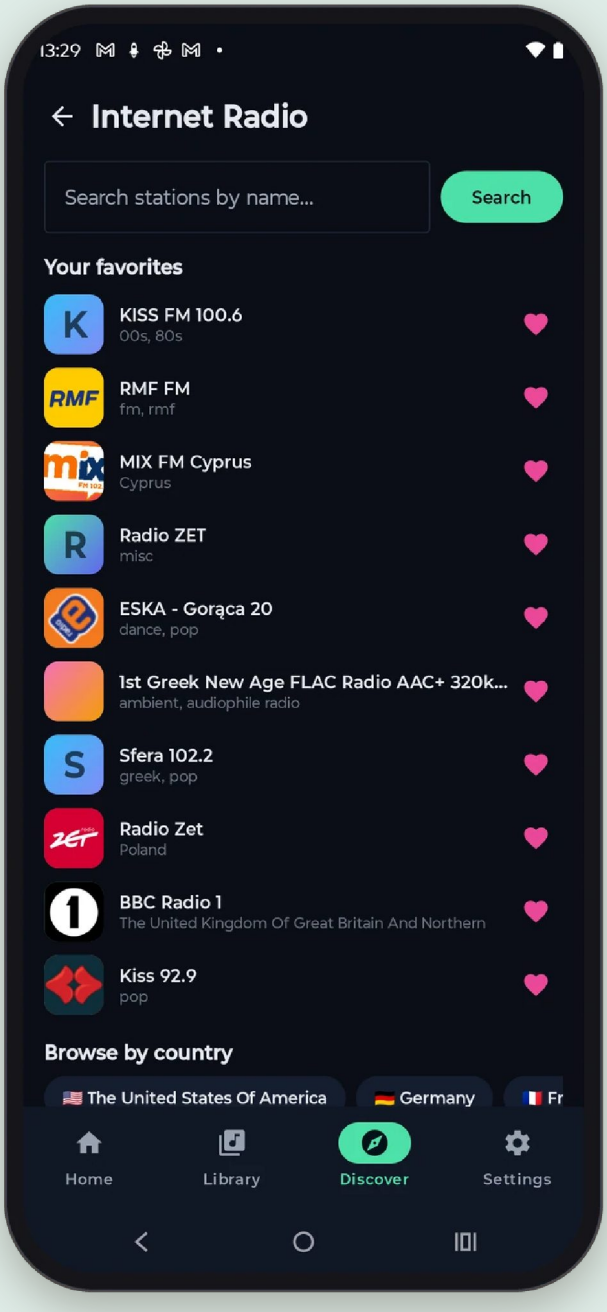
### Favourites

Your stations one tap away.

04

### In the car too

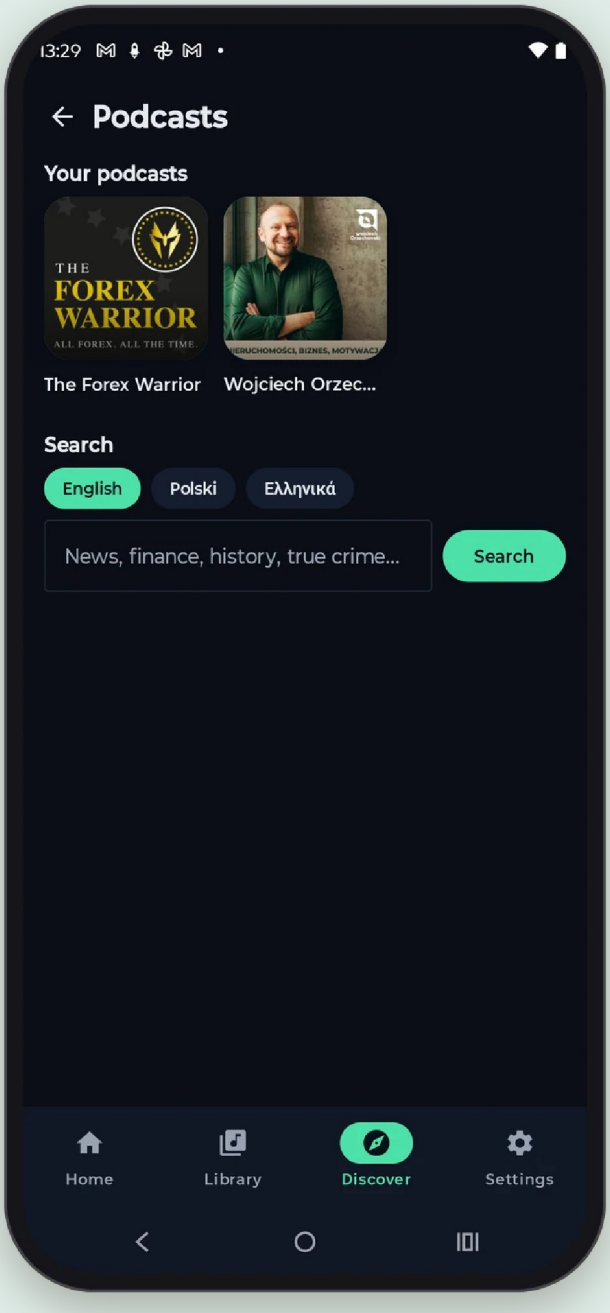
Radio works with Android Auto.



PODCASTS

# Podcasts *in three languages*

Search in English, Polish and Greek, subscribe and pick up new episodes where you left off.



01

### Search

In English, Polish and Greek.

02

### Subscribe

New episodes appear automatically.

03

### Resume

Continue exactly where you stopped.

04

### One app

No separate podcast app needed.

FAMILY RADIO

# A friendly voice *between songs*

On paid plans, a voice tells you the time, the weather and your family routines — "School run in ten minutes".

01

### Time and weather

Short updates between songs.

02

### Family routines

Reminders like the school run.

03

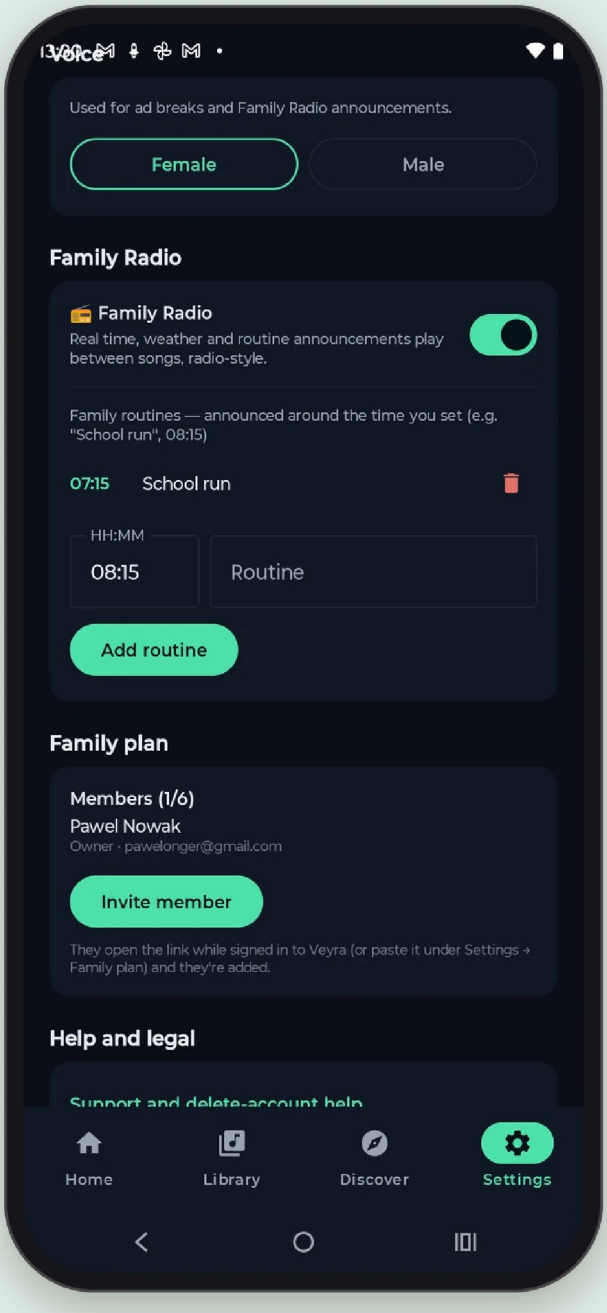
### Choose the voice

Female or male, in English, Polish or Greek.

04

### Your schedule

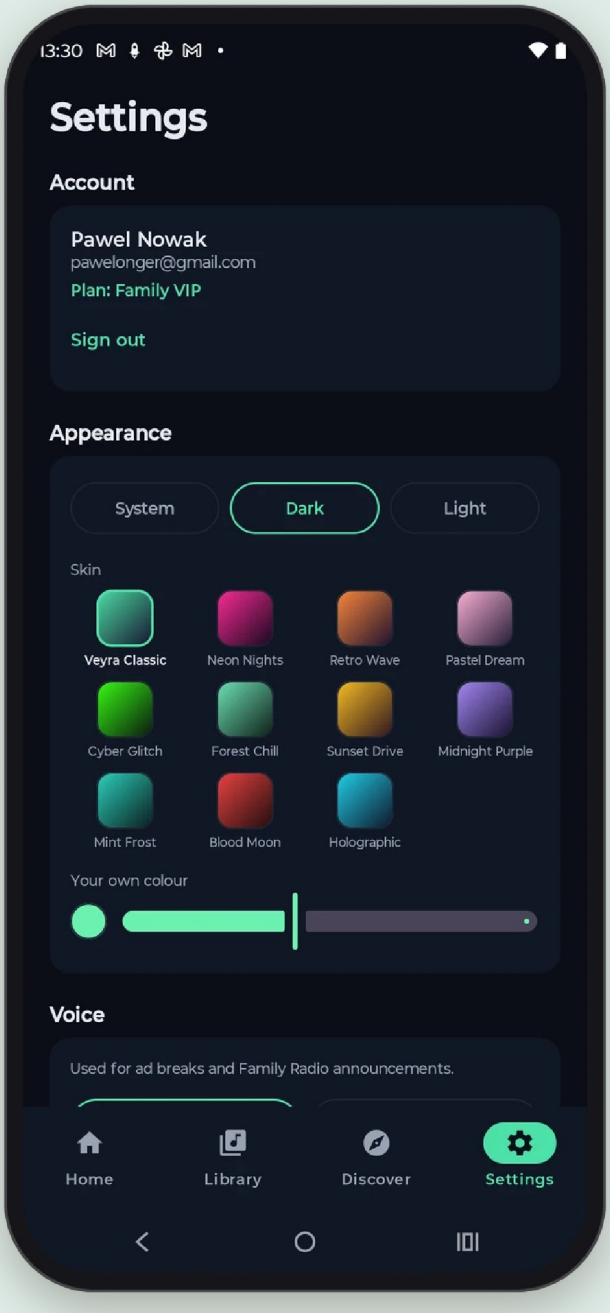
Add routines with times in Settings.



MAKE IT YOURS

# 11 skins, *your colour*

Light or dark, one of 11 colour skins or a colour of your own — plus a 10-band equalizer.



01

### 11 skins

From classic to neon.

02

### Your own colour

Pick any accent colour.

03

### 10-band equalizer

With presets, on paid plans.

04

### Follow artists

Tour dates, tickets and live recordings on paid plans.

EVERYWHERE

# On *every screen*

Your library follows you.

### Android Auto

Browse songs, albums, artists and playlists on the car screen.

### Web

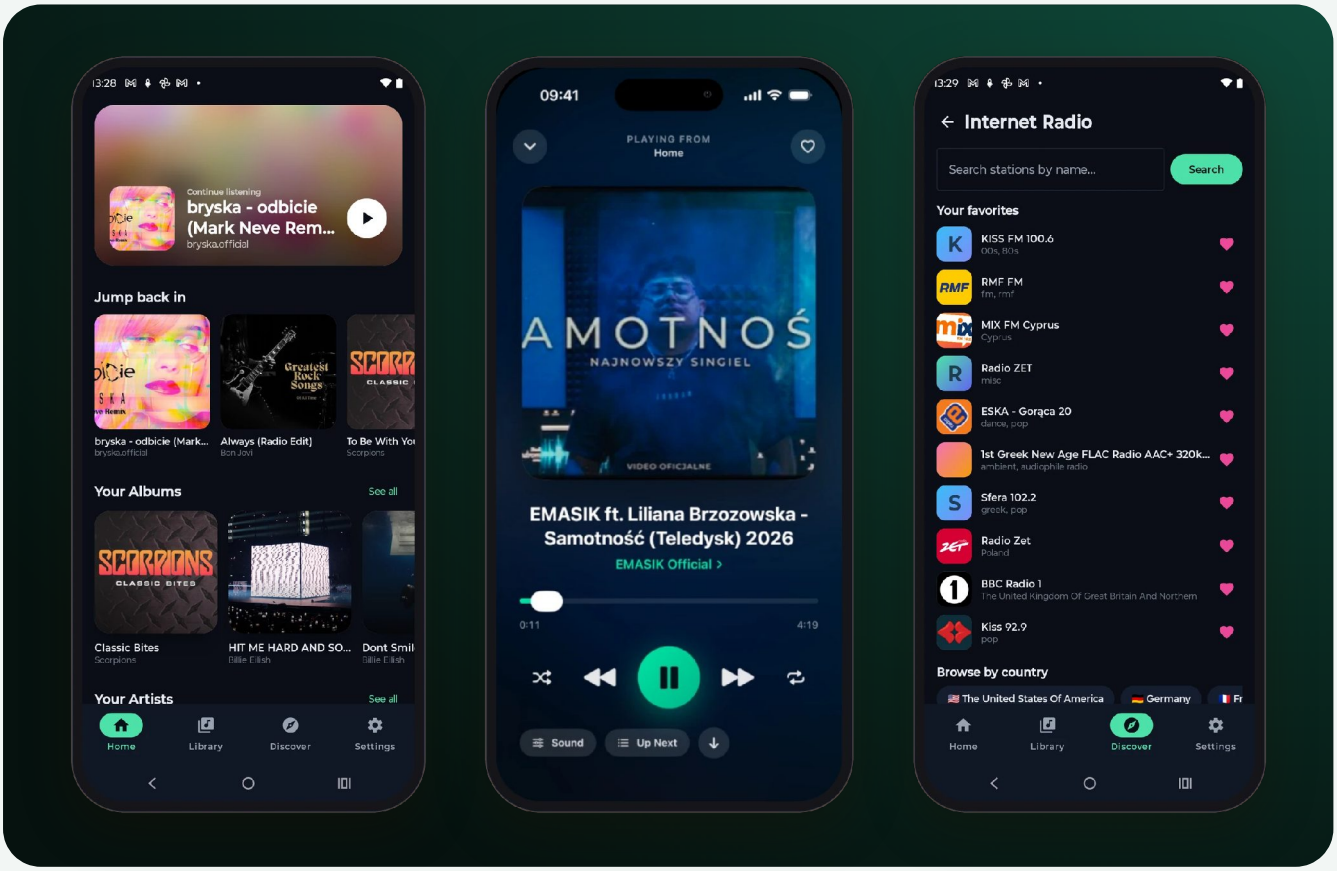
Listen at veyraplayer.uk in any browser.

### Mac and Windows

Desktop apps for your computer.

### Family plans

Up to six people, each with a private library, invited by link.



PRIVACY

# Your files, *only yours*

Veyra is built around your own music, kept private.

### Never shared

Your files are never shared with other users.

### No tracking

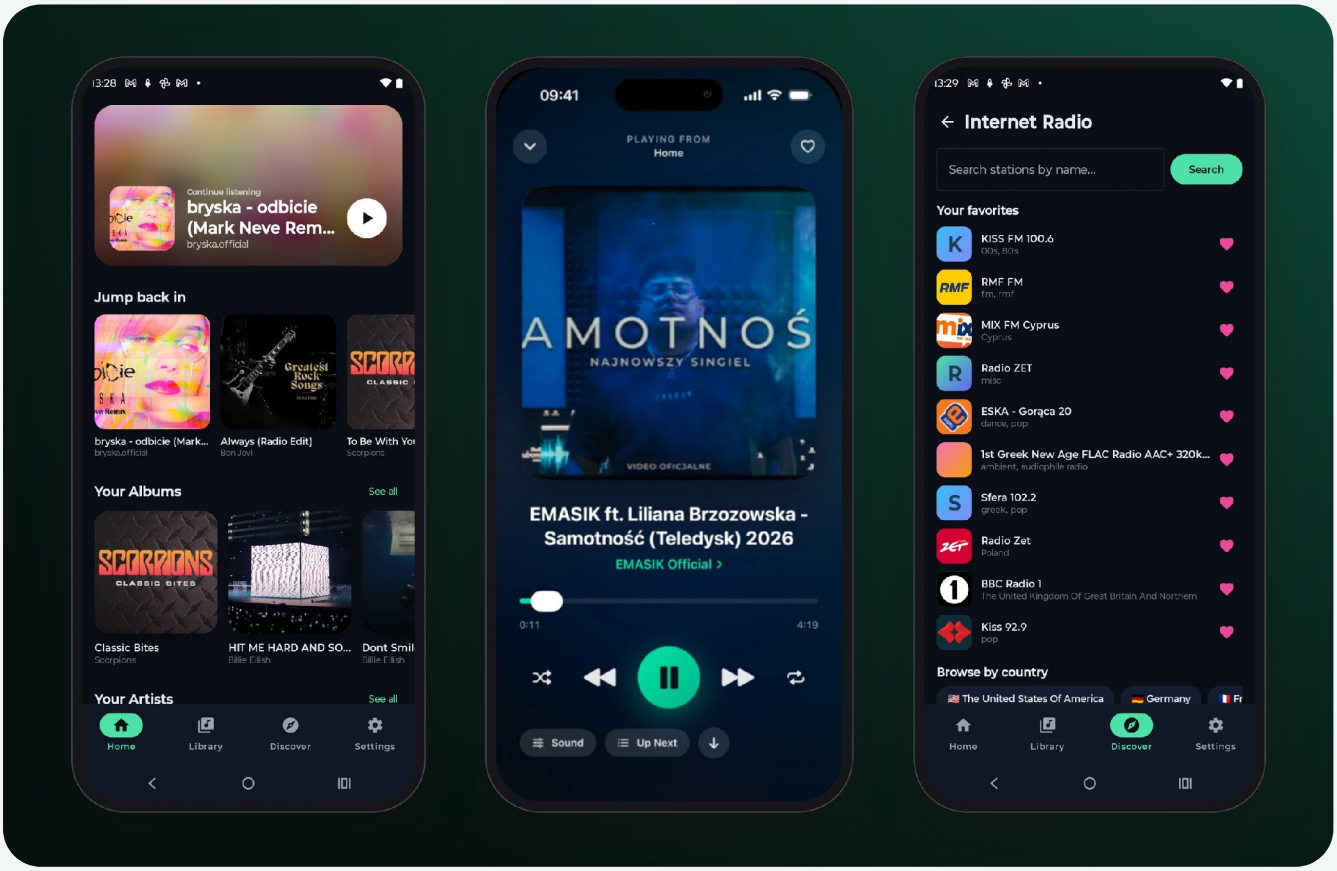
No advertising identifiers; your data is never sold.

### Delete any time

Delete your account and data from Settings.

### Own ads only

The free plan has short audio breaks about Veyra's own plans.



PLANS & PRICES

# Start free. *Grow when you need.*

Every account starts free with 500 MB. Upgrade for more space, no ads, the AI voice and lossless quality.

### FREE

**£0**

500 MB, short audio ad breaks.

### INDIVIDUAL

**£3.49 / month**

20 GB, no ads, AI voice and Family Radio.

### INDIVIDUAL VIP
